To

HER HIGHNESS THE MAHARANI SAHEBA, BEGENT OF COOCH BEHAR.

Dated, Cooch Behar, the 24th August, 1926.

Your HIGHNESS,

WE have the honour to submit the Annual Report on the Administration of the State for the year 1925-26, to which the several Departmental Reports are attached as usual.

Constitution of the Regency Council.—The constitution of the Regency Council underwent certain changes during the year under report. Babu Jagadballabh Biswas, M.A., B.L., Revenue Officer and Judicial Member, Regency Council, having died on the 28th of July 1925, Srijut Rajani Kanta Bhaumik, M.A., B.L., Fouzdari Ahilkar of the State, was, with the approval of the Government of India conveyed in letter No. 1236 P.D., dated the 4th September 1925, from the Government of Bengal to the address of the Political Agent, Cooch Behar State, temporarily appointed to officiate as Revenue Officer and Judicial Member, Regency Council. He was relieved on the 12th of November 1925 by Rai Bahadur Hemendra Lal Khastgir, M.A., who had recently retired from service under the Government of Behar and Orissa and who has been appointed, with the approval of the Government of India conveyed in letter No. 8363 P., dated the 22nd August 1925, from the Government of Bengal to the address of the Political Agent, Cooch Behar State, Judicial Member of the Regency Council and Revenue Officer of the State for a period of 3 years in the first instance. With the approval of the Governent of India communicated by the Political Agent, Cooch Behar State, his letter No. 882 C. dated the 7th August. 1925, Kumar Gojendra Narayan was appointed 66th Member of the Regency Council, with effect from the 22nd August 1923. These were the only changes in the constitution of the Regency Council during 1925-26.

By the death of Bass Jagadballabh Biswas, Revenue Officer and Judicial Member, Regency Conneil, the State has lost an experienced, and capable officer who served the State well for many years. All the Courts, Offices, Schools and the College remained closed on the 4th August 1925, as mark of respect to his minuter.

I desired next of the flavorey Council.—The Council held 86 today on the section side during the year under series against 33 of

the previous year. The following statement shows the work done by the Regency Council, exercising the functions of a High Court, during 1925-26:—

- 4. Legislative work of the Council.—The Legislative Council of the State assembled on the 11th July 1925 to consider—
 - 1. Bill No. II of 1920, (The Court of Wards Act).
 - 2. Bill No. XI of 1920, (The Cooch Behar Stamp Act).
 - 3. Bill No. XII of 1920, (The Cooch Behar Court Fees Act'.
 - 4. Bill No. II of 1923, (The Cooch Behar Official Secrets Act).

Of the four Bills, the first one went to the Select Committee for reconsideration and the next two to the Member in charge thereof for compilation of figures showing the fees that are being realised now, the fees that will be realisable under the proposed enactment and the fees that are now being realised in British India according to the law in force there. As regards the last mentioned Bill, the sense of the House was that the Bill might be held in abeyance and that the Regency Council on the Executive side be advised to frame simple rules on the lines of the Government Servants' Conduct Rules. This question was subsequently dealt with accordingly by the Executive Council as will be seen from paragraph 10 of this Report.

Under Section 4 of Cooch Behar Act, II of 1909 (An Act for the Legislative Council of His Highness the Maharaja), Kumar Nagendra Narayan was appointed, during the year of report, an Additional Member of the Cooch Behar Legislative Council for a term of 3 years under Section 5 of the aforesaid Act, to represent the Rajguns vice Kumar Gojendra Narayan who, by virtue of his being appointed a Member of the Council of Regency, became a Member of the Legislative Council under Section 2(a) of the Act and in consequence ceased to be an Additional Member of the Cooch Behar Legislative Council to represent the Rajguns.

The Executive work of the Regency Council.—On the Executive side of the Regency Council 15 meetings were held against 38 of the previous year. Only important questions which required to be discussed in Council and questions in regard to which there was a difference of opinion were taken up at these meetings. All other questions were disposed of by circulating the papers among members. This system, which makes for the speedy disposal of pending business, worked well and should be continued. The Executive work of the Council is dealt with under the three following heads:—

I.—General.

- 6. Death of Her Majesty Queen Alexandra.—The sad news of the death of Her Majesty Queen Alexandra was received in the State with deep sorrow. Your Highness cabled a message of condolence direct to His Majesty the King-Emperor to which a reply was received by Your Highness. All offices courts, schools and the College of the State remained closed on the 30th of November 1925, as a mark of respect to the memory of Her late Majesty Queen Alexandra.
- 7. Grain Compensation Allowance.—Owing to the high price of the common staple foodgrain of the State, i.e., rice, State servants who are in receipt of comparatively small pay were granted Grain Compensation Allowance with effect from the 1st April 1925, the system being as follows: When the price of common rice is dearer than 7 seers to the rupee all wholetime servants of the State and the Chaklajat whose pay does not exceed Rs. 15 per mensem, receive Re. 1 per mensem, and those whose pay exceeds Rs. 15 per mensem but does not exceed Rs. 25 per mensem. Rs. 2 per mensem. A sum of Rs. 20,000 was provided for the purpose of this Allowance under V.—Miscellaneous (*) Sundries (5) Grain Compensation Allowance in the Budget for 1925-26.
- 8. Trunsfer of the management of the Suni'y Academy to the Education reportment of the State.—With a view to improving the condition of this Academy for the education of girls, in which Your Highness takes a great interest, the management of the Institution, which was an aided one, was transferred to the Education Department of the State, during the year of report. It was decided that the existing Committee of Management should continue to function and assist in giving effect to the decisions of the Council on the various questions involved, and that the standard of the Academy should, for the present, he so raised that it might teach up to the 4th Class of a High English School. A sum of its, 10,000 was allotted for provided by the State and the balance was met from the funds of the Academy. A Tord Model has the balance was met from the funds of the Academy. A Tord Model has the balance was met from the funds of the Academy. A Tord Model has the balance was met from the funds of the Academy. A Tord Model has the balance was net from the funds of the Academy. A Tord Model has the balance was net from the homes.

- 1891, prohibiting State officials from engaging in trade and commerce, were being contravened, passed orders, during the year of report, that no State official may, without the previous sanction of the Regency Council, engage in any trade or undertake any employment other than his public duties. Menials and, until further orders, Medical Officers and Officers of the Education Department are exempted from the operation of these orders which are based on the orders contained in the Government Servants' Conduct Rules.
- As already stated in paragraph 4 above, the Regency Council, having reason to believe that leakage of information from offices in the State exists, issued orders, during the year of report. based on the orders contained in the Government Servants' Conduct Rules, with a view to preventing the communication of official information to persons not authorised to receive such information, infringement of the orders rendering the State official concerned liable to such punishment as may seem called for in the circumstances of the case including dismissal from State Service.
- Council had under consideration the question of granting advances and loans to State officials and others and the existing orders on the subject, and passed orders, during the year of report, laying down that in future advances will be granted only in those cases in which advances are admissible under the Civil Account Code as amended from time to time and that they will be granted subject to the conditions governing advances laid down in the Civil Account Code as amended from time to time. As regards loans, ordinarily, applications for loans from private individuals will not be entertained and loans to State officials will be granted only in very exceptional circumstances and on the conditions laid down in the Regency Council Rules for Loans and Advances, dated the 4th April 1925.
- 12. Reorganisation of the Public Works Department of the State.— The proposals (drawn up in consultation with the Superintending Engineer, Nothern Circle, Darjeeling) made by the Vice-President, Regency Council in the General Department of the State, in his letter No. D/41, dated the 28th August 1925, for the reorganisation of the State Public Works Department were sanctioned by the Regency Council with certain modifications. Briefly, the scheme of reorganisation which has been sanctioned is as follows:—
 - (a) The appointment of an experienced officer from outside for the post of State Engineer for 3 years in the first instance, on pay according to his qualifications and experience and with Travelling Allowance according to the Civil Service Regulations.
 - (b) Creation of two posts of Assistant State Engineer for 3 years in the first instance, the pay of one post being fixed at Rs. 400 per mensem and that of the other at Rs. 300 per mensem.
 - (c) The pay of Overseers (4 Upper Subordinates, possessing Overseer certificate qualification, of whom one is to hold the post of Supervisor, Darjeeling Estate, and will be paid from the Darjeeling Estate Budget) to be on the scale 60-5 (Annual increment)—160 Selection grade, one post, 170-10 (Annual increment)—200 per mensem. They will draw a conveyance allowance of Rs. 30 per mensem if considered necessary and Travelling Allowances according to the Civil Service Regulations.

- (d) The pay of Sub-Overseers (9 Lower Subordinates possessing Sub-Overseer certificate qualification, of whom one will be deputed as Overseer, Town Committee, Cooch Behar, and will be paid from the Cooch Behar Town Committee Budget) to be on the scale 40-2 (Annual increment)—80 per mensem. They will draw conveyance allowance at Rs. 15 per mensem if considered necessary and Travelling Allowances according to the Civil Service Regulations.
 - 3 or 4 inspections to be made annually by the Superintending Engineer. Northern Circle, Darjeeling, in accordance with the arrangements entered into with Government under Government of India letter No. 125 I. B., dated the 10th January 1905, to the Chief Secretary to the Government of Bengal, and which arrangements are still in force.
- (f) Submission of plans and estimates of all works costing Rs. 10,000 and over to the Superintending Engineer, Northern Circle, Darjeeling, for scrutiny and technical approval.
- (g) Maintenance of a list of the works administratively approved from time to time by the Regency Council.

It may be stated here that, with the approval of the Government of Bengal conveyed in their letter No. 2326 P. dated the 8th March 1926, to the Political Agent, Cooch Behar State, Rai Sarada Charan Mittra Bahadur, a retired Executive Engineer, Public Works Department, Bengal, has been appointed State Engineer with effect from the 24th March 1926 on a salary of Rs. 800 a month with a free house and Travelling Allowances under the State Rules.

As the Public Works Department has been reorganised and the staff strengthened and as the financial situation will be easier in 1926-27 the Regency Council decided, during the year under report, to provide more funds for the Public Works Department during 1926-27 to enable certain important and argently required works to be carried out during that year. The more important works for which funds have been provided are given below:—

- (1) Rs. 5,000 for the construction of pucca wards in the Sub-Jail at Mekligunj.
- (2) Rs. 6,000 for making certain necessary improvements in the Victoria College buildings.
- (3) Rs. 16.000 for the construction of 2 dispensaries in the Muffassil and those will be provided gradually.
- (4) Ra. 8,500 for the construction of quarters for the Deputy Superintendent of Police at Mathabhanga.
- (5) ha 15,000 for this artispaton of the Public Works Department Office at Cooch Bahar. The existing building is too small that present requirements, more especially as the Public Works Present has been succeptabled and the staff increased.
- W. D. D. D. Or Control of the Contro

- (7) Rs. 25,000 for the construction of a new Power House for the Electrical Department in the Narendra Narayan Park.
- (8) Rs. 5,500 for constructing a Purca Dak Bungalow at Mekligunj in place of the εxisting Kutcha building which is in a dilapidated condition.
- (9) Rs. 4,850 for the construction of quarters and a small dispensary for the Itinerant Veterinary Assistant Surgeon whose head quarters are at Mathabhanga.
- (10) Rs. 12,000 for the construction of a Sub-Jail at Tufangunj.

 This is an urgent work which has been held in abeyance owing to the financial stringency.
- (11) Rs. 80,000 for a water supply scheme for the town of Cooch Behar.
- (12) Rs. 30,000 for certain works at the Palace at Cooch Behar.
- (13) Rs. 40,000 for the reconstruction of the kitchen block with servants quarters at Woodlands, Calcutta. The existing buildings are insanitary and in a dilapidated condition and the State Engineer considers it necessary to reconstruct the buildings.
- (14) Rs. 15,000 for sanitary fittings and arrangements for Woodlands (main building).
- (15) Rs. 50,000 has been provided in the Electrical Department Budget (which is included in "(h) Public Works") for another engine which will be absolutely necessary for the purpose of the water works.

Provision has also been made in the Communication Improvement Fund Budget for 1926-27 for the following public works:—

- (1) Rs. 35,000 for the construction of bridges and culverts.
- (2) Rs. 50,000 for special repairs to roads.
- Water Supply Scheme.—A reference to paragraph 11 of the Annual Administration Report for the year 1924-25 will show that the Regency Council contemplated the installation of a system of pure water supply for the town of Cooch Behar provided that the reports of the experts on the subject were favourable. Mr. G. Bransby Williams, Chief Engineer, Public Health Department, Bengal, who was consulted in the matter, visited Cooch Behar, in this connection, in July 1925, and subsequently submitted a water supply scheme for the town of Cooch Behar which was approved by the Regency Council. The scheme is estimated to cost Rs. 21 lakhs. It was decided to spread the expenditure over two years—Rs. 11 lakhs being provided in 1926-27, and Rs. 11 lakhs in 1927-28. It was also decided that a sum of Rs. 45,000 would be appropriated from the accumulated surplus of the Pound Fund towards the capital cost of the scheme, and that a sum of its, 80,000 would be provided for the scheme in the Budget for 1926-27, thus making up the total sum of Rs. 1,25,000 sanctioned for expenditure during 1926-27. The north-west portion of the Narendra Narayan Park, which is in the centre of the town, has been selected for the location of the water works and Power House. A provision of Rs. 25,000 has been made in the Public Works Department Budget, Ordinary, for 1926-27, for the construction of the new Power

- House. The whole scheme will be carried out under the supervision and direction of the Chief Engineer, Public Health Department, Bengal. The proposals of the Chief Engineer, Public Health Department, Bengal, in connection with rural water supply were also approved by the Regency Council, and an experiment is being carried out in the shape of sinking tube wells in 25 Taluks (villages) close to Cooch Behar town with a view to seeing, after the experiment has been given a proper trial, whether it will be feasible to introduce a tube well scheme on a large scale throughout the State with a view to providing the population in the Mufassil with a good water supply so far as may be possible.
- 14. Extension of the supply of Electrical current in the town of Cooch Behar. - Schemes for extending the supply of Electrical current in the town of Cooch Behar and the purchase of additional machinery came up for the consideration of the Regency Council during the year of report. As the expenditure involved was heavy and as the question was a technical one, it was thought advisable to get expert advice in the matter before arriving at any decision. The Political Agent for the State was accordingly requested in letter No. 1385, dated the 20th August 1925 (General Department), to move the Government of Bengal to permit the Council to consult the Electrical Adviser to Government in regard to the scheme. As there was some delay in receiving the requisite permission and as the question was argent, it was subsequently decided to consult Messre Octavius Steel and Company, Calcutta, in the matter. They were requested to send a representative to Cooch Behar who was to draw up a detailed report and scheme for the consideration of the Regency Council after a study of local good 21003 and requirements. The report submitted by Mr. C. C. Eastgate, a representative of the firm, was received in the middle of March 1926. A sum of Its 50000 was provided in the Electrical Department Budget for 1926-27 to give effect, in part, to Mr. Eastgate's scheme.
- 15. Reorganisation of the Cooch Behar town bire Brigade.—As the arrangements for dealing with fires in the town of Cooch Behar were wholly inadequate for the purpose the Regency Council sanctioned a scheme for the reorganisation of the town fire Brigade submitted by the Vice-President, Regency Council in the General Department. The scheme is briefly as follows—
 - 1. The purchase of a Dennis Motor Trailer Pump (as used by the Calcutta Eiro Brigade) which is connected to, and drawn by, a Motor Lorry.
 - 2. The purchase of a One-ton Ford Lorry Chassis fitted with a body specially designed by the Chief Officer of the Calcutta Fire Brigads.
 - 8. The construction of a garage for housing the Ford Lorry and Trailer Pump.
 - 4. A crew of seven man drawn from the Police Force, who will be trained with the Caloutia Fire Brigade.

The whole edieme was drawn up in consultation with Captain B. A. Westburger, Chief Officer, Unionts, Pire Brigade, to whom the diegency Consult are greatly resident by my probable by her taken and in taking to him and account in consultation of the taking to him and account the consultation of the taking to him and account the consultation of the taking to him and account the consultation of the taking to him and account the consultation of the taking to him the consultation of the taking to him the consultation of the c

Resettlement.—As stated in last year's report, the Regency Council's proposals for the resettlement of the land revenue of the State were forwarded to the Political Agent for his concurrence on the 4th April 1925, with a letter which reviewed at length all the questions requiring. consideration.

The Regency Council had proposed to offer alternatives of a settlement for 99 years and of a settlement for 30 years, the former offer involving higher rates of revenue than the latter in the case of seven out of the fifteen classes of land. Their sole reason for proposing a 99 years settlement was that His Highness, the late Maharaja, had decided and publicly announced that the settlement about to be concluded would be for 99 years. careful consideration of the proposals of the Regency Council, Ilis Excellency the Governor of Bengal in Council was satisfied that a settlement for 99 years would not be in the interests of the Ruling Family, of the Joteders or of the under-tenants, and he was unable, therefore, to agree to it. Excellency in Council, however, accepted the alternative proposal for a 30 years settlement and all the other proposals of the Regency Council. The orders of Government were received at the end of June 1925, and the final orders of the Regency Council were published, both in English and Bengali, in two successive issues of the State Gazette (dated the 13th July 1925, and 27th July 1925) for general information. Copies of the notification were forwarded to the Settlement Officer, the Revenue Officer, the Civil Judge, the Naib Ahilkars and the Sub-Registrars of the State for information and guidance.

The final orders may be summarized as follows. Fuller details will be found in the Report appended from the Vice-President Regency Council in

the Settlement Department:—

The period of the settlement about to be concluded shall be for 30 years; but this period shall not apply to p yasti lands, lands in towns and Bunders and new settlements of State khas lands.

The provisional rates of assessment per bigha for the first (2.)three classes of ordinary cultivated land sanctioned on the 10th April 1922, and published in the State Gazette dated the 12th April 1922, are confirmed, (i. e., the old rates for these classes are enhanced by 3 annus in the rupee). old rates for all the other 12 classes of land are left unaltered. In the case of the special tracts (Girds Chowra, Sandara and Bilat Bisguri) the fates for all classes of land except culturable and unculturable fallow shall be Iths of the rates applicable to Jotes in the ordinary tracts.

(3.) The rates and the period of settlement mentioned above for Mal and Debutter Mahals shall apply to the holdings in

Mokarari and Lakheraj Estates.

- (4.) Fair and equitable rents shall be settled for all grades of under-tenants, including the Krishiprajas (illegally settled under-tenants now recognised under the title of cultivating raiyats) on the basis of the classification of the soil and as far as possible according to the scale of profits hitherto in force and now slightly modified in order to provide for the cases of Krishiprajas (vide (5) below). In the cases, however, in which the rents paid are in excess of the rents payable in accordance with the sanctioned scale of profits the procedure laid down below shall be followed:—
 - Where the existing contractual rent of an undertenure exceeds the rent calculated under the sanctioned scale of profits but does not exceed double that rent, the immediately superior landlord shall be allowed either the existing profit or a profit of 50 % in excess of that admissible under the sanctioned scale, whichever is less. Where, however, the contractual rent exceeds double the rent calculated under the sanctioned scale of profits, the immediately superior landlord shall be allowed double the sanctioned profit, provided that the contractual rent has been realised for more than 10 years, the burden of proving which shall be on the buddord. Failing such proof, the landlord shall be allowed a profit only 50 per cent in excess of that admissible under the sanctioned scale of profits.
 - In the case of under-tenants, where the existing rent is less than the rent payable under the sanctioned scale of profits, it shall be raised to the amount admissible under the sanctioned scale of profits.
 - In the case of all future settlements of under-tenants as also those not shown in the record-of-rights now under preparation, the rates of profit shall be limited to the sanctioned scale, and future settlements in contravention of the provisions of the Tenancy Act and of the Notification dated the 11th July 1925, containing these orders shall be annulled and the lease of the creater of such undertenure shall be liable to be cancelled or he may be liable to a fine.
- (5.) In the case of the illegally settled tenants (Krishiprajas), all such tenancies discovered in the course of the present revisional operations shall be recognised. Where more than one grade of such tenancies exists those of the lowest grade alone shall be recognised and the rights of the intermediate illegal tenants shall be recognised in respect only of the areas in their khas possession. The percentages of profits shall be the same as in the case of the legal under-tenants of the corresponding grades. If any hrisings of be found under a Tasya-tali-chukanillar the percentage of profit shall be raised to 65 in the case of such a tenancy.
- (6.) Pattas and Kabuliyats shall be presented for registration within 6 months from the date of creation of a tenancy. Failure to comply with this order shall be punishable with a monthly fine and no such document shall be notepted for registration after the expiry of 12 months from the date of registration of a tenancy.

The calculation of rents and revenue was started immediately after the issue of these orders and was completed during the year under report.

According to the recommendation of the Director of Land Records and Surveys, Bengal, the Ekwal-Jamabandis (rent and revenue rolls) were published at convenient centres from the 20th November 1925 till the end of the year, and objections made to any entry in the Ekwal-Jamabandi, or omission therefrom, were received during that period. Some of these objections were disposed of by the Assistant Settlement Officers during the year. The Resettlement Notification, dated the 8th July 1925, containing the provisions regarding the publication of Ekwal-Jamabandis and the disposal of objections and appeals was published, both in English and Bengali, in the State Gazette (Extraordinary) dated the 9th July 1925, and in the Gazettes dated the 13th July 1925, and 27th July 1925. In that Notification it was announced that, in view of the ignorance generally of the illegally settled tenants, the Regency Council proposed, as a matter of grace, to waive the claim to the stamp fee of Rs. 5 per hal or portion of a hal prescribed in the State Council Notification, dated the 2nd May 1918, for the recognition of the rights of those tenants.

Cooch Behar Agricultura! and Industrial Exhibition and Catile Show —An Agricultural and Industrial Exhibition, together with a Cattle Show, was held at Cooch Behar, in March 1926 under Your Highness' patronage. This is the second Exhibition of the kind held in Cooch Behar. the first having been held so far back as in 1893. The opening ceremony was performed by Your Highness on the 9th March 1926, in the presence of a distinguished assembly including His Highness the Maharaja Bhup Bahadur and the Maharajkumar and Maharajkumaris. The Exhibition lasted for ten days and drew large crowds of visitors. Every attempt was made to make it as interesting and instructive as possible and the Police Sports and the Bioscope and Jatra performances, which were held on the Exhibition ground, provided additional amusements for the large crowds which daily flocked to Exhibits were recieved both from the State and from the Exhibition. different parts of Bengal, Bihar and United Provinces. Agricultural exhibits were vegetable products, grown in the various gardens in the State and others exhibited by the Agricultural Department of Bengal. Among Industrial exhibits the most interesting were silks, embroidery, klindder, endi, muga, Dacca muslins and cloths, brassware and utensils, ivory works and jewellery. Weaving demonstrations in looms were given by the Plassey Silk Factory, the Santipur Weaving Factory, the Tipkai Weaving Factory and the Dacca Abdullapur Weaving Factory. The Bengal Agricultural Department gave practical demonstration of the manufacture of butter. The Department of Public Realth and the Social Service Federation deputed officers and representatives who gave addresses on social and hygienic subjects, which were listened to with attention. Cattle Show was largely attended and Officers of the Civil Veterinary Department, Bengal, gave addresses on the subject of the improvement of cattle.

The arrangements left nothing to be desired and reflected great credit on the Managing Committee and the organisers. The Exhibition was a complete success and fulfilled its object of giving ocular demonstration to the backward population of the State of the great development in agricultural and industrial methods and appliances, and of stimulating among them a healthy spirit of competition and enterprise. The total expenditure amounted to Its. 14,717 towards which the State made a grant

of Rs. 2,000; the balance was met by subscriptions and donations raised by the Committee and the sale proceeds of bioscope tickets and of building and other materials auctioned at the close of the Exhibition.

Crops. and condition of the people.—The total rainfall recorded at Cooch Behar town during the year under report, was 126.90 inches against 162:18 inches of the previous year or a decrease of 35:28 inches. Paragraph 12 of the Annual Report of the Revenue Department for the year 1925-26, appended, shows in detail the effect of the rainfall on the several crops.

Debutter Department .- The total sum disbursed in the Debutter 19. Department amounted to Rs. 54,068 against Rs. 60,905 of the previous year or a decrease of Its, 6,837. Details are shown under Section IV of the aforesaid Annual Report for 1925-26, submitted by the Revenue Officer.

20. Puoneah Ceremony for 1332 B. S. -The Pooneah Ceremony for the year 1332 B. S. was performed on the 4th, 5th and 6th of May 1925, by Babu Jagadballabh Biswas, M.A., B.L., Revenue Officer. As His Highness the Maharaja Bhup Bahadur was absent from the State, the Pooneah Durbar was not held.

25. The total receipts were Rs. 6,544 against Rs. 6,768 and the expenditure Rs. 5,908 against Rs. 6,338 of the previous year. The net profit of the Fund for the year under report was Rs. 636 against Rs. 430 of the year before showing an increase of Rs. 206.

The opening balance of the Fund was Rs. 28,359, of which Rs. 27,590 was in the Treasury and Rs. 769 in the Chankidari offices and Sub-Treasuries.

The closing balance was Rs. 28,995, of which Rs. 28,169 was in the Treasury and the balance of Rs. 826 in the several Sub-Treasuries and Chaukidari offices. A sum of Rs. 5,500 is being contributed from the accumulated surplus of the fund towards the cost of providing the Cooch Behar Town Fire Brigade with a Fire Engine and modern fire extinguishing appliances. A sum of Rs. 10,000 is being invested in Government Securities.

- 26. Cattle Pounds.—The number of cattle pounds in the State was 109 against the same number of the previous year.
- 27. The following statements show the receipts and expenditure of the Pound Fund for the year under report:—

28. Together with the arrear balance of Rs. 3,533 the total bid to be realised was Rs. 14,845, of which Rs. 11,835 was collected and Rs. 7f4 was written off, as there was no hope of realisation of the amount, leaving a balance of Rs. 2,746 unrealised. Rs. 1,831 was received as sale proceeds of unclaimed impounded cattle and miscellaneous receipts and Rs. 176 as interest on the invested money. The total collection was thus Rs. 13,342 against Rs. 13,776 of the previous year showing a decrease of Rs. 434.

- 29. The cost of establishment and contingencies, together with the charges paid for killing rabid and stray dogs, amounted to Rs. 1,489 against Rs. 876 of the previous year showing an increase of Rs. 613. Rs. 6,027 was paid to the several Town (ommittees and Sub-divisional towns in the State as contributions towards effecting improvements of the places concerned. The total expenditure thus amounted to Rs. 7,516. The net profit of the Fund in the year was therefore Rs. 5,826.
- 30. The opening balance of the Pound Fund was Rs. 50,820. Of this amount, Rs. 49,548 was in the Treasury and Rs. 1,272 in the different Sub-Treasuries. The 2nd instalment of Rs. 1,000 was duly paid by the Principal, Victoria College, in repayment of the loan of Rs. 10,000 repayable in 10 years without interest to meet the expenses of the B. Sc. classes in the College. The closing balance of the Fund was Rs. 57,824, of which Rs. 56,683 was in the Treasury and Rs. 1,141 at the Sub-Treasuries. It has been decided to make a contribution of Rs. 45,000 from the accumulated surplus of the Fund towards the cost of the water supply scheme for Cooch Behar Town.
- 31. Free distribution of Quinine tabloids.—There were 1204 tabloids in hand at the close of the preceding year. During the year under report 8000 tabloids were received from the Civil Surgeon of the State for distribution. The following table shows the distribution:—

- 35. Rainfall.—The total rainfall recorded in the town of Cooch Behar during the year under report was 128.60 against 162.13 inches of the previous year. The heavy rains during the first quarter of the year under report retarded the growth of the Bitri paddy and jute and also affected the weeding operations of these crops. The out-turn was thus poor. The sowing of tobacco seeds was delayed owing to the moisture in the land due to the heavy rainfall immediately before the season. The seasonable rainfall in June, July, August and September was beneficial to the growth of Haimanti paddy and its out-turn was good. Very little rain fell in the winter months.
- 36. Crops and condition of the people.—The following table shows the out-turn of Haimanti and Bitri paddy in the different Sub-divisions of the State during the year under report:—

Names of Sub-divisi	ons.		Haimanti.	Bitri.

- 37. The price of common rice ranged between Rs. 5-8 and Rs. 8-12 per maund during the year. Though there was a good harvest of Haimanti paddy the prices continued high and even at the harvest time did not fall below 7 seers per rupee. The high prices of jute proved a boon to the cultivators who would otherwise have suffered on account of the shortage of the Bitri paddy crop.
- 38. The area of land under jute cultivation during the year was 29,202 against 32,543 acres of the previous year. The out-turn of the crop was estimated at 8 annas. The shortage in out-turn was compensated by the abnormally high prices fetched by the crop. The price ranged between Rs. 14 and Rs. 25 per maund during the year.
- 39 The out-turn of mustard seed was estimated at 12 annas and that of tobacco at 10 annas. None of these crops could flourish well for want of sufficient winter rains. The cultivation of other rabi crops was nominal.
- 40. The epidemic statement submitted by the Superintendent of Police, Cooch Behar, is given below:—

- 41. Public health.—Cholera and Small-pox and specially the former disease were as usual responsible for many deaths among the people. The outbreak of cholera was specially severe in the Mathabhanga Sub-division. All possible measures were taken by the State Medical Department to combat the outbreaks wherever they occurred. With the exception of these epidemics, the general health of the people was good on the whole.
- Tours of Officers. Srijut Rajani Kanta Bhaumik, Fouzdari Ahilkar, was out on tour for 59 days and spent 29 nights away from the Head quarters during the year under report. He visited all the Sub-divisions and inspected all the Thanas except Tufangunj during the year. The visit to Tufangunj was paid after the close of the year.
- The following statement shows the number of days and nights spent on tour by the Sub-divisional Naib Ahilkars:-

Cattle disease.—One thousand one hundred and fifty cases of cattle disease were reported from the interior during the year, of which 552 died, 566 recovered and 32 cases were lingering at the close of the year. Measures were adopted with a view to ensuring cases of rinderpest being promptly reported by Village Chankidars. There are now 3 Veterinary Assistant Surgeons in the service of the State.

Conduct of Police:—

Sudder.—Two constables were convicted under section 499 Indian Penal Code for having deserted with their clothing and sentenced to undergo rigorous imprisonment for one month each. They were also convicted under section 25 of the Cooch Behar Police Act and sentenced to suffer rigorous imprisonment for 15 days each. Another constable was also convicted under section 25 of the Cooch Behar Police Act and sentenced to pay a fine of Rs. 10 only.

Tufangunj.-There was no case against the Police during the year under report against 1 of the preceding year.

Dinhata.—There was I case against the Police during the current year.

It was a case under sections 161 and 884 Indian Penal Code against Sub-Inspector Panchanan Ganguli and Writer Constable Hem Chandra Bhaumik. The accused were discharged under section 253 Criminal Procedure Code owing to non-presecution. Of the 3 cases which remained pending at the close of the preceding year, two saded in conviction and one in acquittal under section 345. Criminal Precedure

Mathabhonga.—No case was instituted against the Police during the year under report.

Mekligunj.—There was no case against the Police during the year under review.

46. Conduct of Officers.—The officers worked satisfactorily.

Statements A and B are appended hereto.

II.-POLICE.

- 47. Charge.—Srijut Aswini Coomar Guha remained in charge of the department throughout the year. Srijut Praphulla Banjan Dhar, M. A., B. L., Probationary Deputy Superintentendent of Police, was taken through the usual course of practical training during the year as prescribed for him by the Regency Council.
 - 48. The enlistment and disposition of the Force:
 - (a) Of the four Sub-inspector Cadets, two (Sarada Kanta Dutt, B. A., and Narendra Kumar Naha, B. A.) who were appointed in January 1925, continued to receive their prescribed training till the end of the year under report. The third, Kumar Tikendra Narayan, completed his training of two years in the month of January 1925 and was posted to a thana as a second officer, and the 4th (Srijut Haran Chandra Hazra, B. A.) was discharged from the force at his own request during the year under report.
 - Sub-inspector Sarada Kanta Dutt appeared for the B. A. Examination, while under training, and passed it in June 1925.
 - (b) The number of constables recruited during the year to fill up vacancies and casualties caused by death, retirement and removal, was 78, of whom 23 were Hindoos (6 Bengalis and 17 upcountrymen), 3 Mahamedans and 52 Gurkhas or Nepalese. Of the 6 Bengali Hindoos and 3 Mahamedans, four were bonafide natives of the State and one was a local man.
 - Of the Nepalese recruits, whose antecedents &c. could not, under the rules of the Nepal Durbar, be verified, 18 were either discharged (some owing to continued illness in the plains and some as unsuitable) or rejected on verification as far as possible from other sources and a few deserted. No vacancies remained unfilled at the close of the year under report.

Three Matriculated Candidates were appointed as Writer Constables, one of whom was a Behari Brahmin who educated himself at Cooch Behar and is practically domiciled here.

- (c) On the 31st March 1926, the force consisted of :-
 - (i) Two Inspectors.
 - (ii) Thirteen Sub-Inspectors.
 - (iii) One Armed Sub-Inspector (Subsdar).
 - (iv) Three Officiating Sub-Inspectors (Assistant Sub-Inspectors promoted to act).
 - (v) Seven Assistant Sub-Inspectors (excluding those promoted).
 - (vi) Five Writer Head Constables.
 - (vii) Three Head Constables (Havildars).
 - (viii) Bix officiating Head Constables.
 - (xi) 242 Constables including 19 Writer Constables.
- (d) One hundred and ninety-six men were employed in thansa, Courts, Jails and Treasury guards, on partial and on miscellaneous duties at the close of the year leaving 50 in the Reserve force. 16 men were on leave and 14 side in Hospital or were mader training.

- Twenty men employed in Sub-divisional Jail guards were replaced by Warders and 16 of them were absorbed in the regular force with effect from September 1925 which was reduced by 4 men, making the total strength 242.
- (6) Of the total force, 10.27 percent were Cooch Beharis (both bonafide and domiciled) and 89.73 percent non-Cooch Beharis.
- 49. The important features of the year's working are briefly given in the following paragraphs:—
 - (1) Withdrawal of Police from Sub-divisional Jail guards.
 - (2) Relieving the Police of miscellaneous duties in connection with Pounds.
 - (3) Better accommodation for 20 men of the Head Quarters Force in a house in close proximity to the lines, hired for them by the State.
 - (4) Accommodation of the Reserve Office and provision of rooms for clothing, magazine, stores, magazine guard and the Intelligence Branch Office in a pucca building formerly occupied by the State Band and which now forms part of the premises of the Police Lines.
 - (5) Construction of a new barrack with pucca plinth and walls and Corrugated Iron roof at Dinhata Police Station for the accommodation of constables with a room for Inspecting Officers.
 - (6) Supply of Mosquito-curtains to men attached to the Head Quarters Force. This made a large difference as regards the health of the men and the holding of quinine parades in addition considerably reduced the number of fever cases.
 - (7) Supply of bedding, blankets and mosquito curtains for Police patients in Hospital.
 - (8) Supply of Cots to men attached to the Head Quarters force.
 - (9) Creation of a miniature Police Club and housing six members in the old office of the Police Lines.
 - (10) Training of an Armourer at the Allahabad Arsenal and the granting of an allowance of Rs. 5 per mensem which covers the allowance of the passed Armourer and an Assistant who is being trained with him.
 - (11) Training of two Buglers and the grant of monthly allowance of Rs. 2 for each.
 - (12) Encouraging the men to make their own gardens for growing vegetables and flowers in the compound of the Police Lines.
 - (13) The reorganisation of the Cooch Behar Town Fire Brigade which will be manned by the Police. These men are being trained with the Calcutta Fire Brigade.
 - (14) Better provision made for repairs of Police buildings under the Police Department including the quarters of officers.
 - (15) Introduction of the programme of crime work by both Inspectors and Sub-Inspectors.
 - (16) Opening of Crime Centres in affected areas as a preventive measure to stop recrudescence of crime.
 - (17) The introduction of the system of road and border patrols and escorting bullock carts in convoys in co-operation with the Rungpur and Jalpaiguri Police as a preventive measure against robberies and describes frequently reported.
 - (18) Interchange of notes on crime between bordering districts viz.—Rungpur, Jalpaiguri and Goalpara.

- (19) Remarkable decrease of beinous crimes such as robberies and dacoities, due mainly to the preventive measures taken. There were only 15 dacoities and 5 robberies as compared with 30 and 13, respectively, Juring the year preceding.
- 50. Cost.—The original budget provision for the year was Rs. 1,00.848 and the revised provision was reduced to Rs. 1,00,581 against Rs. 1,02,476 of the previous year. The total expenditure was Rs. 99,278 against Rs. 98,550 of the preceding year.
- 5!. Cognizable Cases.—(a) The number of cognizable cases taken up suo motu by the Police during the year was 1133 against 1025 of the previous year. 72 cases were shown as pending at the close of the last year, and of the old cases of the previous year, two were detected during the year under report. With these cases, therefore, there were 1207 cases to be dealt with. 377 cases were sent up for trial; 435 were returned as true and 42 cases reported to be intentionally false and 57 false due to mistake of law or fact or non-cognizable. The Police refused investigation in 220 cases and 76 cases remained pending at the close of the year, either with the Police or with Magistrates.
- (b) There has been an increase of *4 cases in the total number reported during the year, over that of 1924-25. This increase is spread mainly under three heads viz.—33 under burglary, 14 under Railway cases and 37 under public nuisance and the Police Act.
- (c) The most satisfactory feature of the year's working in respect of crime is the remarkable decrease in the number of cases of the more beinous crimes, viz.—15 dacoities and 5 robberies, as compared with 30 dacoities and 13 robberies during the preceding year.

The percentage of charge-sheets in true cases was 46.4 against 35.3 of the preceding year and the percentage of cases ending in conviction to cases sent up for trial, was 88.3 against 84.

52. The Proportion of Police to Population and Crime.—The following table shows the proportion of Police employed on purely Police work (prevention and detection of crime to population and that of cognizable cases investigated to population in the State during the last two years:—

Four other Sub-Inspectors of the State were rewarded with Rs. 10 to Rs. 15 for good work in specific cases.

One Assistant Sub-Inspector, two Writer Head Constables and one Head Constable were rewarded with Rs. 5 to Rs. 10 and 14 Constables Rs. 41.

Major punishments were awarded to officers and men for gross misconduct during the year under report as follows:—

- (1) 1 Sub-Inspector degraded.
- (2) 1 Assistant Sub-Inspector ... dismissed.
- (3) 1 Assistant Sub-Inspector ... · degraded.
- (4) 2 Writer Head Constables ... degraded.
- 66. Escorts.—Treasure amounting to Rs. 22,69,148 belonging to both the Government and the State, as against Rs. 18,75,200 of the previous year, was escorted by the State Police.

The number of persons escorted during the year was 1375 against 1837 of the previous year.

67. Drill and Taroet Practice.—The Head Quarters Force continued regular drill and musketry practices and attended parades on four days in the week, Saturdays being reserved for route march. The Platoon Drill was in force

On Mondays and Fridays all available officers and men at Head Quarters fell in with the force as in the previous year.

The Town Police (Chankidars) continued to take part on two days in the week and joined in Route marches.

Target Practice was held in which 8 officers and 21 men participated and a reward of Rs. 10 was paid to the best shot (Head Constable Sreekanta Pandey)

- 68. Retirements and Casua'ties.—One Assistant Sub-Inspector, one Writer Head Constable and six Constables retired during the year under report. There was only one death during the year against three of the previous year.
 - 69. Health of the Force :-
 - (i) The health of the force was generally good. The supply of mosquito-curtains to the men attached to the Head Quarters Force during the year was productive of good results. While more men from Mofussil joined the Hospital, there was a considerable decline in the roll of sickness among men of the Reserve Force at Sudder.
 - (ii) The daily average of sick in hospital was 3:35 against 4:73 of the preceding year, and a large number of these patients were from Mofussil Thanas.
- 70. Good Comfact Allowances.—At the close of the year under report 43 men were drawing good conduct allowance at Re. I per mensem.

No good conduct stripes were issued during the year as they serve no useful purpose and have been discontinued in Bengul.

- 71. Fires and Fire Brigade.—There were nine outbreaks of fire in the town as compared with five in the previous year, in which property worth about Rs. 3,240 was destroyed. A scheme for the complete reorganisation of the Cooch Behar Town Fire Brigade involving a non-recurring expenditure of Rs 13,680 has been sanctioned by the Regency Council. The personnel will be furnished from the Police Force and will be trained with the Calcutta Fire Brigade. Before the end of next year the Town will have a highly efficient Fire Brigade both as regards machinery and appliances and personnel.
- 72. Town Police.—The Cooch Behar Town t'olice consisted of two Jamadars and 28 Chaukidars and during the year under report two more men

were appointed for the Khagrabari block since added to the town area. Dinhata, Haldibari and Mathabhanga had 6, 7 and 6 Chaukidars, respectively, during the year.

- (a) General Working.—The Deputy Superintendent of Police continued to hold charge of the Town Police during the year under report and he experienced a good deal of difficulty in finding suitable men to fill up vacancies and in arranging for proper watch and ward with the force at his disposal.
- 73. Street Lighting.—The Cooch Behar, Dinhata, Haldibari and Mathabhanga Town Committees had 147, 39, 41 and 34 street lamps, respectively, and their maintenance charges amounted to I.s. 4,409-2-9.
- 74. Rural Police.—The following table shows the rewards paid to, and fines realised from, village chaukidars during the year 1925-26 as compared with the year preceding:—

			(No. of Chankidars	•	1924-25. 9	1925-26.

C.	Total Amount of fines realised.	•••	•••		219	398

A large portion of fines imposed remains unrealised owing to irregular attendance of Chaukidars and non-payment of their pay by Panchayets. The attendance was unsatisfactory and the work of the Rural Police in the matter of reporting births and deaths and epidemics was also unsatisfactory. The introduction in the near future of a system of paying Village Chaukidars their pay quarterly in the presence of a Gazetted Officer will, it is expected, result in an improvement in their work and better attendance at thanas and will also facilitate realisation of fines.

- 89. District Intelligence Branch.—The officers and men attached to this Branch (one Sub-Inspector and one Assistant Sub-Inspector and four constables including a Writer Constable) did good work, particularly Sub-Inspector Satish Chandra Roy who field charge of the Branch.

III.—JAIL AND LOCK-UPS.

- 81. Charge.—Srijut Rajani Kanta Bhaumik, M.A. B.L., Fouzdari Ahilkar, held administrative charge of the Jail throughout the year. Dr. Dineshananda Chakravarti, Civil Surgeon, was the Medical Officer of the Jail for the whole year.
- 82. Jail Buildings.—The Public Works Department as usual did the annual repairs to the Jail buildings borne on their books. The Jail Department repaired the kutcha buildings and the quarters of the Jail staff.

A new Civil ward was constructed by the Public Works Department to the north of the Warders' barrack outside the Jail wall. The ward consists of a corrugated iron roofed sleeping room measuring 18' × 16' with pucca plinth and masonry walls and a verandah; two cook sheds measuring 7' × 72' each, one for the Hindus and the other for the Mahomedans, and a latrine, all of the same materials

- 83. Jail Population.—There were 97 prisoners of all classes in the Jail at the beginning of the year. 372 were admitted and 363 discharged during the year, leaving a balance of 106 prisoners at the end of the year. The daily average population was 96:18 as compared with 96:68 in the previous year.
- 84. Convicts.—The year began with a population of 82 convicts in the Jail. 105 convicts were admitted from the local courts; 12 released on bail were readmitted after rejection of appeal; 70 were admitted from the Sub-jails of the State and one from the Jalpaiguri Jail for release. The total admissions were 183 and the total number of convicts to be dealt with was 271. There were 172 discharges as shown below, leaving 99 at the close of the year:—

The profit of the year was Rs. -7,746-10-10 as compared with Rs. 3,540-9-6 in the previous year. The increase was due to the profit derived from the Rice Mill which amounted to Rs. 4,206-9-4.

The amount of outstanding bills due to the Juil at the close of the year was Rs. 3,047-9-5 as compared with Rs. 2,345-14-2 in the previous year.

The results of the principal industries carried on in the Jail during the year are shown below.

- 98. Crushed food.—The total sale of crushed food was Rs. 6,871-14-9 as compared with Rs. 7,558 in the previous year. The profit on this industry was Rs. 355-4-9 as compared with Rs. 956 in the previous year. The average earning was 0-3-11 (three annas eleven pies) per prisoner.
- 99. Oil pressing.—Two hundred and ninety-eight maunds and 15 seers of cleaned mustard seeds and 7 maunds 8 seers 12 chataks of Teel seeds of the aggregate value of Rs. 2,506-5-3 were pressed in the country mills of the Jail during the year, yielding 98 maunds 31 seers 10 chataks of oil and 197 maunds 32 seers 4 chataks of oil-cake of the total value of Rs. 3,545-0-9. The profit from this industry was thus Rs. 1,038-11-6 against Rs. 1,227 in the previous year. The daily average earning per prisoner was 10 annas 4 pies.
- 100. Aerated water.—Five thousand one hundred and forty-five bottles of Soda and 1938 bottles of Lemonade were manufactured and sold during the year to the estimated value of Rs. 392. Three Soda water machines were thoroughly repaired and parts renewed at a cost of Rs. 111 and thus there was no profit in the industry.
- 101. Dal and wheat grinding.—This industry was maintained mainly for the supply of Dal and Atta to prisoners. The total quantity of pulses and wheat ground during the year was 141 maunds which yielded an outturn of 112 maunds of Dal and Atta and 25 maunds of Bhushi. The latter was partly sold and partly used as food for the Jail cattle. There was a profit of Rs. 112 as compared with Rs. 261 in the previous year.
- 102. Gardening.—The net profit under this head was Rs. 594 as compared with Rs. 776 in the previous year. This amount includes Rs. 254 received from the sale of fresh date juice.
- 103. Wearing and Tailoring.—The profit from weaving and tailoring for making prisoners' clothing was ks. 198 against Rs. 299 of the previous year.
- 104. Rice Mill.—During the year under report serious irregularities in the working and management of the Rice Mill by the Jail Department and gross mismanagement came to light. As a result of this the Jailor, who was a retired Government official, was dismissed from State service and the management of the mill was made over to a small Committee with the Superintendent of Police as Secretary of the Committee.
- 105. The gross estimated earnings of prisoners are given below calculated at the rate of six annas per diem as the wages of each prisoner:—

One prisoner died of debility and ansmis in the Jail Hospital during the year. He was received from Mathabhanga Sub-jail in a very bad state of health.

Water drawn from the well inside the Jall was used throughout the year for drinking purposes. It was boiled and excled before distribution. The well was regularly disinfected during the year with Perusuganare of Potash under the supervision of the medical officer.

110. I visited the Jail ower storing the year. The local Resident Minister of the Nababidhan Somal visited the Jall avery Monday and delivered short sermons to process.

The Foundari Ahilkar and the Civil Surgeon visited the Institution regularly.

111. The following staff worked during the year:

Rai Shaheb Guru Charan Dutt served as the Jailor from the beginning of the year up to 16th January 1926 when he was dismissed from State service and clerk Srijut Haranath Sarkar for the remaining period of the year as Sub-protem Jailor.

Srijut Haranath Sarkar served as Clerk from 1st April 1925 to 16th

January 1926.

Srijut Basanta Kumar Chatterjee served as Store Keeper from 1st April 1925 to 16th January 1926.

Srijut Basanta Kumar Chatterjee served as Clerk from 17th January 1926 to 31st March 1926.

Munshi Talebali Ahmed served as Acting Store Keeper from 6th February 1926 to 31st March 1926.

Statements C, D, E, F, G, H and I are appended.

112. Sub-Jails.—Thirteen prisoners remained at the 4 Sub-Jails at the beginning of the year. 383 were admitted and 379 discharged, leaving 17 prisoners at the close of the year.

From the foregoing table it will be seen that 89 candidates sat for the Matriculation Examination in the year under report, and of them 28 came out successful, 12 being placed in the first division and 11 in the second.

In the competitive Examinations for Middle and Primary Scholarships, 28 passed the Middle English; 48 the Middle Vernacular; 235 the Upper Primary and 600 the Lower Primary Scholarship Examinations against 19

Middle English; 28 Middle Vernacular; 199 Upper Primary and 588 Lower Primary successful candidates of the preceding year. The percentage of passes was 84 against 76 to of, the preceding year.

In the year under report 4 female candidates sat for the Middle Vernacular, 9 for the Upper Primary and 21 for the Lower Primary Examinations. Of the total of 34 candidates, 88 passed, 24 in the first division and 9 in the second; against 27 candidates and 27 passes of the preceding year.

The Sanskrit Tole sent up only 2 candidates, of whom 1 passed and was recommended for the Temple Scholarship.

148. The Sub-divisional Higher English Schools.—The following table gives in a summary form the details of strength, attendance and expenditure of the Sub-divisional Higher English Schools as they stood on the 31st of March 1926:—

The number of pupils on the rolls of the 4 Sub-divisional High English Schools on the 31st March 1926, was 848 against 841 on the corresponding date of the previous year, showing an increase of 7 pupils.

The average daily attendance in these schools was 81.8 percent of the average enrolment as compared with 81.7 of the previous year. The number of English-reading pupils rose from 676 to 688. Of the total number of \$48 pupils, 703 were Hindus, 139 Mahomedans, 3 Christians and 3 of other communities as compared with 678 Hindus, 152 Mahomedans, 4 Christians and 7 of other communities in the previous year. The number of pure Cooch Behari pupils in these schools was 366 or 43.1 percent against 45.3 percent of the previous year.

The total expenditure on these schools was Rs. 32,572, of which Rs. 13,419 were contributed by the State, while Rs. 13,730 and Rs. 5,423 were met from School fees and other local sources respectively. The corresponding figures in the previous year were Rs. 32,827, Rs. 13,849, Rs. 13,185 and Rs. 5,793. The total expenditure decreased by Rs. 255, mainly due to savings effected in the establishment cost of the Mathabhanga and the Dinhata High English Schools. The apparent decrease of Rs. 430 in the State's chare of the expenditure was due to the inclusion of the State contribution of Rs. 511 in the preceding year for the extension of the Tufangunj Boarding, which was a non-recurring charge

A scrutiny of the details of income and expenditure of these schools shows that only the Mekligunj and the Tufangunj Schools worked at a deficit to make up which the interest on the invested funds had to be drawn.

The financial position of the Sub-divisional High English Schools is sound notwithstanding adverse economic conditions affecting their local resources, as the invested funds to their credit stood at .Rs. 61,398-18-9 on the Slat March 1926, and the Secretaries had also a cash balance of Rs. 8,162 at the end of the year.

149. Teaching Staff.—The Sanskrit Pandit of Mckligunj School resigned his post which was filled up by the appointment of a new hand.

The 7th Assistant Teacher of the Tufangunj School resigned his appointment and an I. Sc. passed man was taken to fill up the vacancy. There were no officiating arrangements in the cases of the 1st and the 3rd Assistant teachers who were granted privilege leave for short terms.

The 4th Master and the Head Pandit of the Vernacular Department of the Dinhata High English School died during the year under report. A B. A. was taken in as 4th Master and temporary arrangements were made to carry on the work of the Head l'andit.

The Assistant Head-master of the Mathabhanga High English School died after being on medical leave for over 3 months. A graduate outsider was appointed to act for him. The Persian Teacher of the School was absent on privilege leave for 2 months and 18 days and another Moulavi was appointed to act for him during his absence.

150. Managing Committees.—There were 5 sittings of the Committee at Mckligunj, 4 at Tufangunj, 4 at Dinhata and 5 at Mathabhanga.

151. Examination Results.—The following table shows the results of Subdivisional High English Schools in the different public Examinations during the year under report:—

From the above table it will be seen that 39 candidates were sent up for the Matriculation Examination in 1926 from the four Sub-divisional High English Schools against 44 candidates of the year preceding, 23 of them came out successful, 12 passing in the 1st division and 11 in the second.

Twenty-four boys were sent up to the different Scholarship Examinations from the Vernacular Departments of these schools, of whom 16 passed, 6 in the first division, 8 in the second and 2 in the third. The percentage of passes was 66 6 against 80 of the previous year.

- 152. Discipline.—There was no case of breach of discipline.
- 153. Prizes.—I was present at the distribution of prizes for the Tufangunj and the Mathabhanga High English Schools. The sanctioned State grant of Rs. 333 for prizes of these schools was duly remitted to the Secretaries.
- 154. Boarding Institutions.—The number of Boarders in the Boarding Institutions attached to the Sub-divisional High English Schools was 108 on the 31st March 1926, against 105 of the previous year, showing an increase of 3 inmates. Of these, 81 were Hindus and 27 Mahomedans and 48 pure natives of the State.

During the year under report, the Rajgons who had been sent to the Dinhata Boarding on the abolition of the Raj Rajendra Narayan Boarding Institution, Cooch Behar, were removed from Dinhata for education elsewhere.

The general condition of these Institutions in respect of diet and sanitary arrangements as well as supervision and control continued to be satisfactory.

The provision of a pucca plinth in a part of the dormitory on the Hindu side of the Mekligunj Boarding and the construction of a small brick-nogging corrugated iron roofed house in the Mathabhanga Boarding were among the works done by the Public Works Department during the year under report in connection with the Boarding Institutions.

The State paid Rs. 1,899 towards the up-keep of these Institutions.

- 155. Educational Conference.—The Annual Educational Conference of the Head Masters of the High English Schools in the State was held on 22nd November 1925, under the l'residentship of the Principal, Victoria College, Cooch Behar. The following subjects were discussed:—
 - (a) Selection of Text-books for High English Schools for the 1926 Session.
 - (b) Revision of Admission and Transfer Rules for High English Schools.

The resolutions passed were submitted to me for consideration and orders in regard to them were duly communicated to all concerned.

156. The Middle English Schools.—The Middle English Schools seem to be most popular and the demand for them is growing. Two new English Classes attached to Vernacular Schools were opened with local support and one Middle Vernacular School was converted into Middle English School during the year under report.

The following table gives particulars of the Middle English Schools in the State as they existed on the 31st March 1926:—

It will be seen from the above statement that the total number of Middle English Schools was 20, of which 17 were aided and 3 unaided, against 17 nided and 1 unaided of the previous year. The opening of two English Classes in connection with the Unishbisks Middle Vernacular and the Khalishamari Upper Primary Schools during the year under report accounts for the increase of two in the number of unaided institutions of this class.

On the 31st March 1926, there were 1001 pupils on the rolls of the regular Middle English Schools against 811 of the preceding year, showing an increase of 190 in the number of pupils. The average daily attendance of these schools also rose from 526 to 611. A closer scrutiny of the table will show that the number of pupils improved in 10 schools by 222, decreased in 3 by 32 and remained stationary in one, the net gain being thus 190. Of the total number of pupils, 650 were + indus and 351 Mahomedans against 449 Hindus, 357 Mahomedans and 5 of other communities of the preceding year. There was thus a remarkable increase in the number of Hindu pupils. The percentage of attendance in these schools also showed considerable improvement, being 83.3 percent against 70.6 of the preceding year.

The number of English-reading boys in these schools was 772 on the 31st March 1926, against 671 of the preceding year, showing an increase of 101 pupils.

The expenditure incurred for the maintenance of these schools during the year under report amounted to Rs. 12,290, of which Rs. 4,911 was contributed by the State and Rs. 7,379 was raised from the various local sources. The corresponding figures for the preceding year were Rs. 11,389, Rs. 4,624, and Rs. 6,765. The total expenditure increased by Rs. 901, the State's share in the increase being Rs. 287 and the people's Rs. 614.

The following comparative table shows the results of these schools in the different Scholarship Examinations for the last 2 years:—

From the above table it will be noticed that 139 candidates were sent up from the Middle English Schools for the different Scholarship Examinations, 33 for the Middle English, 22 for the Middle Vernacular, 50 for the Upper Primary, and 34 for the Lower Primary. Of these, 115 came out successful, 35 in the first division, 57 in the second and 23 in the third. The percentage of success rose from 66 1 to 827 in the year under review.

157. State Model Vernacular Schools.—A proposal was submitted during the year under report for removing the Sudder Model School from its present site and accommodating it elsewhere. The Regency Council have, on account of the cost involved, decided that the matter may be held in abeyance for the present.

To impart sound English Education, a scheme was submitted for the conversion of the Sudder Model Vernacular School into a regular State Model

Middle English School by amalgamation of its English Department with the Vernacular Department. The matter is under the consideration of the Regency Council.

The following table sum prises the condition of the State Model Vernacular Schools as they existed on the 31st March 1926:—

It will be seen from the above that the number of Model Vernacular Schools in the State remained unchanged at 13. There were 814 boys on the rolls of these schools on the 31st March 1926, against 798 on the corresponding date of the preceding year, showing an increase of 16 boys. The average daily attendance remained stationary at 499, while the percentage of attendance in them was 70.0 against 73.7.

Of the total number of pupils in the Model Schools, 525 were Hindus and 289 Mahomedans, against 557 Hindus, 233 Mahamedans and 8 of other communities of the preceding year. It will be seen that the number of Hindu pupils decreased by 32, while that of the Mahomedans rose by 56.

The total expenditure for the maintenance of these 13 Model Schools amounted to Re 7,612, towards which the State contributed Rs 6,103 and Rs. 1,509 were met from fee collections. The corresponding figures for the previous year were Rs. 7,102, Rs. 5.538 and Rs. 1,564, respectively. Thus the total expenditure increased by Rs. 510 and the State's share by Rs. 565 owing to sanctioned periodical increments to the pay of Head Pandits and grain compensation allowance to poorly paid teachers.

The Model Schools sent up 23 candidates to the Middle Vernacular, 46 to the Upper Primary and 27 to the Lower Primary Examinations. Of the total

of 96 candidates, 5 were absent and 76 passed, 35 in the first division, 38 in the second and 8 in the third, against 89 candidates and 69 passes of the preceding year. The percentage of passes was 83.5 against 83.1 of the previous year.

158. Middle Vernacular Schools.—The number of aided Middle Vernacular Schools in the State on the 31st March 1926, was 16 against 17 of the preceding year. The changing of the Chaupathi Middle Vernacular School into a regular Middle English School accounts for the loss of one institution of this class.

The number of pupils on the rolls of these schools on the 31st March 1926, was 833 against 869 of the previous year, showing a decrease of 36 pupils. The average daily attendance remained stationary at 561, the percentage of attendance being 76.7.

The expenditure on this class of schools amounted, during the year, to Rs. 4,752, of which the State paid Rs. 2,882 and the people Rs. 1,870. The corresponding figures for the previous year were Rs. 4,877, Rs. 3,030 and Rs. 1,847, respectively. With the decrease of 1 in the number of Institutions, the total expenditure decreased by Rs. 125.

These schools sent up 14 candidates to the Middle Vernacular, 30 to the Upper Primary and 56 to the Lower Primary Examinations. Of the total of 100 candidates, 2 were absent and 95 came out successful, 41 being placed in the first division, 44 in the second and 10 in the third. The percentage of success was 96 9 against 71 6 of the previous year.

159. Special Schools.—The number of special schools continued to be 3 as in the preceding year. There were 118 pupils on the rolls of these 3 schools on the 31st March 1926, against 111 of the year before, showing an increase of 7 pupils. Of these, 25 were Hindus and 93 Mahomedans. The average daily attendance of these schools improved last year from 75 to 92.

The expenditure on these schools amounted to 1's. 733, of which Rs. 409, was met from the State and Rs. 324 from local sources against the corresponding figures of Rs. 702, 420 and Rs. 282 in the preceding year

160. The Sudder Nagri School.—The Sudder Nagri School had on the roll 39 pupils, of whom 30 attended daily on an average. The corresponding figures for the preceding year were 37 and 22.

The school sent up 3 candidates to the Lower Primary Examination who were examined in the Text-books prescribed for the same examination in the Patna Division. All of them passed in the 1st Division.

161. The Sudder Madrasa.—The number of pupils on the rolls of the Sudder Madrasa on the 31st March 1926, was 33 against 31 of the preceding year. The School gained 2 in strength but its average daily attendance remained unchanged at 25.

The expenditure on this school amounted to Rs. 264 towards which the State contributed Rs. 144 and the people Rs. 120. The same expenditure was incurred in the preceding year.

As in previous years, the Persian Teacher of the Jenkins School examined the boys of this school at the time of the Lower Primary Examination. The results were not satisfactory and the Maulavi has been warned to give better tuition.

162. Anjumani Islamia Institution.—This school had on its rolls on the 31st March 1926, 40 pupils, of whom 37 attended daily on an average against 43 and 28, respectively, of the year before. The school lost 3 in number and gained 9 in attendance.

Two boys were sent up for the last Upper Primary Examination and 3 for the Lower Primary. All of them came out successful, 3 in the 2nd division and 2 in the third,

163. Mahomedan Education.—The total number of Institutions for the special education of Mahomedan boys in the State on the 31st March 1926, including the Sudder Madrasa and the Anjumani Islamia which have been returned with Middle Vernacular schools, was 18 against 16 of the preceding year. Of these, 10 were aided and 3 unaided. The number of aided schools remained unaltered, while that of the unaided ones decreased by 3 as funds were not available for their support.

These schools had, on the 31st March 1926, 321 pupils on their rolls, of whom 231 attended daily on an average. The corresponding figures for the previous year were 312 and 243, respectively. Thus there was an increase of 9 in strength and a decrease of 12 in attendance.

The expenditure on these schools amounted to Rs. 1,570, of which Rs. 544 was provided by the State and Rs. 1,026 from the local sources. The corresponding figures in the previous year were Rs. 1,806, Rs. 586 and Rs. 1,220, respectively. With the decrease in the number of institutions there was a decrease of Rs. 236 in the total expenditure.

Over and above these sectarian Schools for Mahomedan boys all other educational institutions were attended on a fairly large scale by Mahomedan pupils. The total number of pupils returned for all educational institutions under this Department was 11,413 on the 31st of March 1926. Of these, 3477 were Mahomedans.

164. Primary Schools.—The following table gives the particulars of the Primary Schools in the State as they existed on the 31st March 1926:—

165. Upper Primary Schools.—The number of Upper Primary Schools in the State on the 31st March 1926, was 44, of which 43 were aided and 1 unaided, against 40 aided on the same date of the previous year. A new Upper Primary School was started during the year under report. By redistribution of grants 6 good Lower Primary Schools were given Upper Primary grants, while 3 Upper Primary Schools were reduced to the Lower Primary status for unsatisfactory work, the result being an increase of 3 in the number of aided institutions.

The number on the rolls in these 44 Upper Primary Schools on the 31st March, 1926, was 1823 against 1569 in the 40 Upper Primary Schools on the corresponding date of the preceding year. The average daily attendance in these schools was 1247 against 1043 of the previous year. With the increase of 4 in the number of Institutions the strength increased by 254 and attendance by 204. The average strength of each school was 41.4 against 39.2 of the previous year.

The expenditure on these schools during the year under report amounted to Rs. 7,118, of which the State paid Rs. 3,664 and the people Rs. 3,454 as compared with Rs. 6,153, Rs. 3,585 and Rs. 2,568, respectively, of the preceding year. The total expenditure increased by Rs. 965, the State's share in the increase being Rs. 79, while that of the people was Rs. 886.

The Upper Primary Schools sent up 13 candidates to the Middle Vernacular, 79 to the Upper Primary and 144 to the Lower Primary Examinations. Of the total number of 236 candidates, 11 were absent and 189 came out successful, 91 being placed in the first division, 76 in the second and 22 in the third. The percentage of passes was 840 against 738 of the preceding year.

166. Lower Primary Schools.—The number of Lower Primary Schools in the State on the 31st March 1926, was 205, of which 148 were aided and 57 unaided against 213, 152, and 61, respectively, of the previous year. There was thus a decrease of 8 in the number of Lower Primary schools, of which 4 were aided and 4 unaided. The loss in the aided schools was due to redistribution of grants every half year.

These 205 Lower Primary Schools had on their rolls on the 31st March 1926, 6554 pupils, of whom 4617 attended daily on an average, against 6776 and 4779, respectively, for 213 such schools for the previous year. With the decrease of 8 in the number of Institutions the strength decreased by 222 and the attendance by 162. The average strength of a Lower Primary School was 31.9 against 31.8 of the preceding year.

The total expenditure on these schools amounted to Rs. 18,049 towards which the State paid Rs. 6,996 and the people Rs. 11,053 against Rs. 19,537, Rs. 7,212 and Rs. 12,325, respectively, of the previous year. The total expenditure decreased by Rs. 1,488 which was mainly due to a decrease in the number of institutions.

The following comparative table shows the results of the Lower Primary Scholarship Examination during the last 2 years:—

	Total	256	752	354	284	588	80	236	718.	851	219	600	-

The total number of candidates enrelled for the last Lower Primary Scholarship Examination from 236 schools of different classes was 718 against 752 candidates from 256 schools of the previous year. Excluding 18 absentees,

600 of those that were actually examined, came out successful, 851 in the first division and 249 in the second. The percentage of passes was 85.7 against 83.7 of the previous year.

A sum of Rs. 510 was, as in previous years, distributed at different Centres by the Superintendents of Examinations to the Gurus and their successful candidates.

167. Night Schools.—The number of Night Schools in the State on the 31st March 1926, was 13, 6 being aided and 7 unaided, against 16 such institutions, 7 aided and 9 unaided in the preceding year. There was thus a decrease of one in the number of aided Night Schools and 2 in that of the unaided ones.

The Night Schools had on their rolls on the 31st March 1926, 191 pupils of whom 136 attended daily on an average. The corresponding figures in the preceding year were 260 and 176. With the decrease of 3 in the number of Institutions, the strength decreased by 69 and the attendance by 40.

The total expenditure for the upkeep of these Schools was Rs. 303, of which Rs. 243 were paid by the State and Rs. 60 by the people, as compared with Rs 354, Rs. 276 and Rs. 78, respectively, of the preceding year. The expenditure decreased by Rs. 51 as the number of aided Institutions decreased by 1.

These Night Schools sent up in the year under report 14 candidates to the Lower Primary Scholarship Examination, of whom 12 passed, 11 in the first division and 1 in the second. In the previous year 19 were sent up and 17 passed, 14 in the first division and 3 in the second.

Of the year's Lower Primary Scholarships, 2 have been recommended for successful candidates of the Night Schools.

168. Girls' Schools.—The year 1925-26 closed with 3 aided and 2 unaided Lower Primary Girls' Schools against 4 aided and 2 unaided Schools of this class in the previous year. The total number of schools for the exclusive education of girls, including the Sub-divisional Girls' Schools which have been returned as Middle Vernacular Schools, was 9 and the total number of girls attending the several classes of institutions under the Department was 439 against 408 of the previous year showing an increase of 31 girls.

The 5 Lower Primary Girls' Schools had 62 girls on their rolls on the 31st March 1926, of whom 49 attended daily on an average. The corresponding figures in the previous year for 6 girls' schools were 86 and 60. With the decrease of one in the number of aided Institutions, the number of pupils decreased by 18 and the attendance by 11.

The expenditure on these Lower Primary Girls' Schools amounted to Rs. 187, of which the State paid Rs. 129 and the balance of Rs. 58 was met from the local sources. The corresponding figures for the preceding year were Rs. 274, Rs. 153 and Rs. 121. The total expenditure decreased by Rs. 87 which was mainly due to the disappearance of one aided school of this class.

The number of girls sent un to the various scholarship examinations was 34 against 27 of the preceding year. Of these, 4 appeared at the Middle Vernacular, 9 in the Upper Primary and 21 in the Lower Primary Scholarship Examination. Of the total of 34 candidates, 24 passed in the first division and 9 in the second. In the preceding year 27 girls were sent up, of whom 21 passed in the first division, 5 in the second and 1 in the third.

Of the year's Upper Primary Scholarships 3 were won by girls in general competition with the boys, 4 of the Lower Primary Scholarships are being recommended for girls in general competition with the boys

The first three places in the Middle Vernacular Examination were occupied by girls. A girl occupied the first place in the list of successful Lower Primary candidates at the Mekligunj Centre.

169. Teachers' Provident Fund.—On the 31st March 1926, the number of Teachers paying contributions to the Provident Fund was 58 against the same number in the previous year. The number of teachers who completed payment of their fifteen years' full deposits was 16 against the same number of the previous year. The amount at the credit of the Fund was Rs. 47,858-12-6 against Rs. 46,499-4-2 of the year preceding. Of this amount Rs. 10,112-7-1 were deposited in the Post Office Savings Bank, Rs. 12,850 invested in Government Promissory Notes, Rs. 7,500 in Post Office Cash Certificates, Rs. 15,223-5-4 in 6 percent Government Bonds and Rs. 2,173-0-1 in the Cooch Behar State guaranteed Bank. The State continued to pay its annual contribution of Rs. 500 to the Fund.

170. Expenditure.—The following table furnishes the details of expenditure incurred by the State under various heads during the year 1925-26;—

The aggregate expenditure on Primary and Secondary Schools in the State amounted, during the year under report, to Rs. 83,982, of which the State contributed Rs. 38,626 and Rs. 45,356 was defrayed from the local sources. The corresponding figures for the preceding year were Rs. 83,839, Rs. 38,577, and Rs. 45,262. There was thus an increase of Rs. 143 in the total expenditure, of which the State's share was Rs. 49 and that of the people Rs. 94.

The charges under "Inspection and Control" were Rs. 8,628 against Rs. 7,969 of the previous year showing an increase of Rs. 659 which was mainly due to the sanctioned periodical increments to the pay of the Inspecting Staff.

The miscellaneous charges, including Scholarships and Rewards, amounted on the 31st March 1926, to Rs. 3,609 against Rs. 3,668 of the year preceding, showing a slight decrease of Rs. 59.

A summary of all the sub-heads will show that the total expenditure incurred by the State for Primary and Secondary Education during the year

under report came to Rs. 50,863 which, together with Rs. 1,509 remitted to the Trensury as fee collection from the State Model Schools, brings the total to Rs. 52,372 against Rs. 51,778 of the previous year.

The budget grant for the year under report was Rs. 52,616 and an additional sum of Rs. 300 was sanctioned from the Reserve Fund of the Education Budget and the contingent allotment of my Office for the purchase of Maps, Books &c. Hence the total amount placed at the disposal of the Department came to Rs. 52,916. Deducting from this the total expenditure of Rs. 52,372 it will be found that a sum of Rs. 544 was left as savings in the Budget allotment for the year 1925-26.

171. Inspection.—I inspected 14 schools in the Mofussil during my last cold weather tour and recorded my remarks in the Visitors' Book of each School. Of the schools inspected, 2 were High English, 2 Girls', 1 Middle English, 1 Model Vernacular, 5 Upper Primary and 3 Lower Primary Schools I was generally satisfied with the working of these institutions.

As in the preceding years the inspecting officers of the Department distributed quinine tabloids, free of charge, among Mofussil school teachers and people in the remote parts of the State. The inspection done by the different officers during the year under report was as follows:—

It will be seen from the above that Babu Jagadish Chandra Sen, B. A., late Inspector of Schools, paid 18 visits to schools in the State and travelled over 980 miles.

Srijut Jnanada Charan Ghosh, B. A., as Deputy Inspector of Schools and Inspector of Schools, paid 186 visits to schools in the State and travelled over 3214 miles. He visited almost all the parts of the State and inspected most of the important aided and unaided schools.

Maulvi Mahammad Akbar Ali, B. A, as Sub-Inspector of Schools, Mathabhanga, and as officiating Deputy Inspector of Schools, Mekligunj, paid 259 visits to schools and travelled over 1705 miles.

Srijut Aswini Kumar Pal, B. Sc., paid 214 visits and travelled over 1698 miles.

Moulvi Sheikh Dayal Mahammad, B. A., paid 220 visits and travelled over 1411 miles.

Srijut Priya Bhushan Sen, B. A., officiated as Sub-Inspector of Schools, Sudder and Dinhata, from the 14th October, 1925 to 31st March, 1926. He paid 75 visits and travelled over 700 miles.

II. VICTORIA COLLEGE.

- 172. Charge.— Srijut Manoratha Dhan Dey, M. A., Principal, held the charge of this Institution as well as of the Jenkins School and the Boarding Institutions throughout the year.
- 173. Number on the roll.—The average monthly number on the roll was 345 against 367 in the preceding year, showing a decrease of 22 or 5.9 per cent. The number on the 31st March 1926 was 348 against 355 on the corresponding date in 1925 showing a decrease of 7 or 1.9 per cent. The highest number of students on the rolls, which was reached in September 1925, was 378 against 386 in September 1924, and was distributed as follows:—

- (1) The College Hindu Hostel.
- (2) The Moslem Hostel.
- (3) The Santi Kutir Mess.
- (4) The Victor Lodge.

179. Leave and Appointments.—Srijut Banka Behari Dey, M. sc., the Assistant Professor of Physics, resigned his post with effect from the 4th August 1925.

Srijut Dhiranjoy Bhattacherjee, M. sc., (Benares University) was appointed in his place as Assistant Professor of Physics and joined on the afternoon of the 3rd August 1925.

Srijut Dhirendra Mohan Mukerjee, M. sc., the Assistant Professor of Chemistry, resigned his post with effect from the 14th August, 1925. Srijut Nalin Chandra Chatterjee, M. sc., was appointed in his place as Assistant Professor of Chemistry and joined with effect from the 27th August 1925.

The services of Srijut Tikendrajit Dutta, B. sc., Demonstrator of Physics, have been admitted into the new grade for Lecturers and Demonstrators on Rs. 60-2-90 with effect from the 1st September, 1925 under the orders conveyed in the Regency Council letter No. $\frac{9102}{3-47}$, dated the 20th February 1926.

Srijut Jitendra Nath Chatterjee, M. A., Professor of Philosophy, was granted privilege leave for 18 days with effect from the 4th January 1926.

Srijut Birendra Lall Bhattacherjee, M. A., Professor of Philosophy, was absent on leave from the 5th to the 28th of February, 1926.

^{*} Two with 2nd Class Honours in English, and one in Philosophy and 2 with distinction.

[†] One with distinction.

Srijut Jitendra Nath Das Gupta, B. sc., the Demonstrator of Chemistry, was on privilege leave for 9 days from the 4th to the 12th January 1926. He was again absent on leave for 12 days with effect from the 19th March, 1926, for which period he was granted privilege leave as a special case.

Srijut Purna Chandra Neogi, the Head Clerk and Accountant, was transferred to the Police Office with effect from the 21st January, 1926 and Srijut Durga Charan Sarkar, the Head Clerk and Accountant of the Jenkins School, was appointed as the Head Clerk and Accountant of the Victoria College, on probation for one year, with effect from the date on which Srijut Purna Chandra was transferred to the Police Office.

- 180. Physical Training.—The College Students played Cricket, Football, Tennis, Hockey as in previous years. Sports were, as usual, organised and prizes awarded on the occasion of the Founder's Day Celebration which was presided over by Your Highness. The prizes were given away by His Highness the Maharaja Bhup Bahadur.
 - 181. Discipline.—Was on the whole satisfactory.

All the members of the College Staff did their work satisfactorily in the year under report.

- 182. B. Sc. Fund.—The Receipts and Expenditure of the Fund amounted to Rs. 15,536-15-0 (including the last year's Treasury Balance of Rs. 8,245-15-0); and Rs. 4,697-2-1, respectively, leaving a cash balance of Rs. 10,839-12-11 on the 31st March 1926.
- 183. The following statement shows in a tabular form the Receipts and Expenditure for the year 1925-26:—

^{*}This amount includes the salaries amounting to Rs. 2,621-11-1 of the two assistant Professors and Laboratory Bearers appointed is connection with the B. Sc. Teaching in the College as the figures were incorporated in the State Budget but afterwards paid back to the State out of the B. Sc. Fund.

It will be seen from the above statement that the State share of the cost per head was Rs. 65-2-1 as against Rs. 53-10-5 of the preceding year, showing an increase of Rs. 11-7-8 per capita, which may be explained as being partly due to an increase in the salaries of the teaching staff as the result of the introduction of the revised scale and partly to a slight falling off in the number of students on the rolls.

184. Buildings.—The new brick-walled, Corrugated Iron roofed building with two rooms, one for the Principal and the other for the Office was completed and occupied in February 1926. The Central Hall has thus been wholly vacated to accommodate the Library and the Reading Boom and the small room to its west has been fitted up to be used as a private study room for the teaching staff.

III.—JENKINS SCHOOL.

- 185. Srijut Manindra Nath Roy, M. A., Head Master, held the direct charge of the School throughout the year.
- 186. Numerical Strength.—On the 31st March 1926, there were 553 pupils on the rolls of the School against 572 of the previous year, showing a decrease of 19 pupils.
- Of the total number, 508 were Hindus, 44 Mahomedans and 1 Christian against 527, 43 and 2, respectively, in the previous year.
- 187. Local pupils.—The total number of local pupils was 519 against 525 of the preceding year. Thus there was a decrease of 6 local pupils. Of the total number, 479 were Hindus, 39 Mahomedans and 1 Christian.
- 188. Foreigners.—The total number of foreign pupils was 34 against 47 of the previous year, showing a decrease of 13 pupils. Of the total number, 29 were Hindus and 5 Mahomedans.
- 189. Cooch Behari pupils.—The total number of Cooch Behari pupils was 133 against 147 of the previous year. Thus, there was a decrease of 14 Cooch Behari pupils. Of the total number, 96 were Hindus and 37 Mahomedans.
- 190. Attendance.—As regards attendance of pupils in the School, the average number on the rolls was 515'83, average attendance 447'00 and percentage of attendance 86'65. These figures were 497'41, 436'88, and 87'83, respectively, in the previous year.
- 191. Annual class examination.—In the year under report 506 boys appeared at the annual class examination. Of these, 219 passed in all subjects and 365 were promoted. The percentage of pass was 43.25 and that of promotion 72.13. These figures were 456, 253, 367, 55.48, and 80.48, respectively, in the preceding year.
- 192. These figures were 4, 11, 5, 3, 20 and 1, respectively, in the previous year.

194. Finance.—The Income and Expenditure of the year under report as compared with that of the preceding year are given below:—

		192	1924225.			5-26.
٠.		Rs.	A.	P.	Rs.	A. P.
(a)	Income	10,296	9	0	10,868	9 6
(6)	Expenditure	21,130	10	8	22,998	18 3
	State share of the cost	10,884	1	8	12,180	8 9
(d)	Total cost per boy	42	•7	8	44	9 4
	State share of the cost		12	5	28	8 8
	per head.					

The increase in expenditure was due to the sanctioned periodical increments of pay of the teachers; and the increase in income was due to the re-opening of the two sections in the lowest class that were kept in abeyance.

195. Discipline.—The conduct of the boys was on the whole satisfactory.

196. Sports and Games.—During the year under report, Drill and Physical Exercises as part of the routine work were given their usual place of importance in the Primary Department, but games could not be made compulsory in all classes for want of an adequate number of play-grounds.

The Annual Sports were held and Prizes were given away on the Founder's Day, the 6th March 1926. There were 34 prize winners, and 37 prizes.

The total expenditure on this head was Rs. 1,308-9-6 against Rs. 1,512-14-11 of the preceding year. The decrease in expenditure was due to the fact that no match was played away from home during the year under report.

197. Staff.—During the year under report there was no substantial change in the teaching staff. The newly sanctioned post of the Gymnastic Master was not filled up.

IV .-- BOARDING INSTITUTIONS.

A .- General.

- 198. Staff.—There was no change in its personnel.

218. The total Receipts and Expenditure during the year under report were Rs. 2,116-2-9 and Rs. 2,042-7-6, respectively, leaving a cash balance of Rs. 73-11-3. A sum of Rs. 356 was drawn from the Treasury as State Subsidy and the balance of Rs. 1,766-2-9 was realised from the boarders.

VII.-MEDICAL.

- 219. Charge.—Dr. Dineshananda Chakravarti, L. M. s., Civil Surgeon, was in-charge of the Department during the year under report.
- 220. General Health.—The health of the State during the year under report was on the whole fair. An outbreak of Cholera and Small-Pox caused many deaths. The statement below shows the number of cases of Malarial Fever, Cholera and Small-Pox during the last three years:—

		1923-24.	1924-25.	1925-26.
Malaria	•••	27,093	18,582	21,016
Cholera	•	1,017	1,603	1,167
Smull-pox	•••	82	222	357

Some of the Mofussil schools were inspected by the Civil Surgeon during his tours with a view to ascertaining the prevalence of Malaria and Bowel troubles in those institutions and also to check the Quinine Register.

- 221. Hospitals and Dispensaries. —There was no change during the year in the number of Hospitals and Dispensaries.
- 222. Attendance of Patients.—Table "Q" shows the attendance of patients at each of the Hospitals and Dispensaries. The total number of out-patients treated was 58,897 against 55,057 in the previous year, showing an increase of 3,840.

The Spleen Index Register kept in the Sudder Hospital showed that out of 2,308 children examined, 581 had enlarged spleen. The percentage of spleen cases was thus 25.26.

The total number of in-patients was 1,615 against 1,613 in the previous

year.

The Spleen Index was not hitherto kept in the Mofussil Hospitals, but from the report of the Civil Surgeon, it appears that the Spleen Index was very high in Mofussil Primary Schools. The Spleen Index Register has now been opened in the Mofussil Hospitals. The percentage of death among inpatients was 10.95 against 12.12 in the previous year. The total number of patients treated in the Rajmata Cottage Hospital was 22 against 21 in the preceding year. A sum of Ks. 194-8-0 was realised as house rent against Rs. 203-8-0 in the previous year. The decrease was due to the fact that none of the patients remained in the Hospital for any considerable period.

223. Su-gical Operations.—The total number of Surgical Operations (both Major and Minor) performed in the various Dispensaries and Hospitals of the State was 745 against 761 in the previous year. Out of the total number, 66 were Major Operations, of which 45 were performed at the Sudder Hospital and the remaining 21 in the other Hospitals, against 71, 34 and 37, respectively in the previous year.

Table "R" shows the list of Major Operations performed in the various Hospitals of the State during the year.

- 224. Prevalent Diseases.--Table "S" gives a list of the most prevalent diseases treated in the State Hospitals and Dispensaries with the results obtained.
- 225. Mortality.—Table "T" shows the particulars of mortality of the patients treated in the various Hospitals of the State.
- 226. Prescriptions.—The total number of prescriptions served in the Sudder Hospital during the year under report was 20,354 against 20,739 in the previous year. The existence of certain private dispensaries is responsible for the decrease.

The total number of prescriptions served in the remaining State Hospitals and Dispensaries was 5,558 against 9,210 in the previous year.

227. Jail Hospital.—The general health of the Jail was good. The administration of quinine and castor oil as a routine practice to all prisoners proved successful in checking Malaria and Bowel complaints. The practice of compulsory vaccination and re-vaccination of prisoners at the time of admission was continued.

The following table furnishes the health statistics of the Jail:

		•			1924-25.	1925-26 .

No serious epidemic broke out during the year under report.

One thousand five hundred and thirty-nine cases of Malarial Fever, 80 cases of Dysentery, 101 cases of Diarrhoea, 63 cases of Dyspepsia and 385 cases of other diseases of the dige-tive system, 20 cases of Rheumatic affection, 74 cases of the respiratory system, 5 cases of Tuberculous disease, 12 cases of Debility and Anæmia occurred during the year under report, but only one case, suffering from Anæmia, ended fatally.

Manufacture of Ærated water was daily supervised by the Jail Compounder and the strictest precautions were observed to avoid contamina-

tion.

Three lunatics were under observation against 2 in the previous year.

228. Police-Military Hospital.—Table "U" appended shows the total number of admissions in the Police-Military Hospital with other particulars. Out of 649 cases treated during the year, 355 or nearly 54:69 percent were of Malarial fever.

Dysentery caused 19 admissions, Debility and Anæmia 4, Tuberculou disease one, Diseases of the Respiratory system 46, Diarrhœa 16 and diseases of the spleen 83, diseases of the Nervous system 4, Hook worm 2. Two cases were fatal, one from Hook worm and the other from Diseases of the Nervous system.

- 229. Post Mortem Examination.—The total number of Post Mortem Examinations held in the State during the year was 20 against 11 in the previous year, out of which 15, against 7, were held at the Sudder Morgue.
- 280. Vaccination.—The season for vaccination in the State is from the 15th of October to the 15th of March.
- Table "V" shows the number of vaccination cases with the result. The number of persons vaccinated was 45,424 against 32,392 of the previous year. The percentage of successful cases was 89.42 against 93.06 in the previous year. The total cost of maintaining the department was Rs. 2,630-7-7 against Rs. 2,484-8-5 in the previous year.
- 231. Meteorological Observations.—The highest temperature recorded at Sudder was 106° on the 10th July 1925 and the lowest was 43° on the 9th and 23rd December 1925.

The annexed table "W" shows the total rainfall of the year under report and that of the last nine years. It was 129.60 against 162.13 of the previous year. The average rainfall of the last ten years was 160.72.

The rain gauges were regularly inspected by the Civil Surgeon during the year under report.

232. Vital Statistics.—The total number of Births and Deaths in the whole State during the year under report was 8,104 and 8,578, against 8,948 and 9,053, respectively, of the previous year. The birth and death rate per mille was 13.67 and 14.47 against 15.09 and 15.27 of the previous year. The increase in mortality was mainly due to Malarial Fever and Cholera and Bowel complaints which may be attributed to the want of good drinking water.

The statement below shows the Births and Deaths per thousand of the population of the town of Cooch Behar for the last 3 years:—

Years.	Birth rates.	**
-	Dirth Pales.	Death rates.
1923-24	5.42	8.81
1924-25	5.06	10.47
1925-26	5.75	10.90

233. Inspections.—The Hospitals and Dispensaries, the Jail and the Sub-Jails of the State were regularly inspected by the Civil Surgeon during the year under report.

The Civil Surgeon was out of his head quarters for 42 days on duty during the year under report.

- 234. Anti-rabic Treatment.—Twenty-six patients were sent to Shillong or Calcutta for Anti-rabic treatment from the whole State against 30 in the previous year.
- 235. Maternity cases.—The Midwife attached to the Sudder Hospital attended 100 maternity cases, of which 45 were males and 55 females. Out of the total number, four were still born cases and five were difficult labour cases and had to be attended by Surgeons.

Tufangunj and Mekligunj Sub-divisions were each provided with a Midwife. In the latter place the cost was met partly by the State and partly by local contributions.

One Midwife was employed also at Dinhata and one at Mathabhanga, the cost being borne by the Town Committees of those two places.

- 236. Nurses.—One Nurse out of a sanctioned strength of three Nurses was in service at the Sudder Hospital from the beginning of the year under report. In order to manage the work temporary Male Nurses were employed and the Head Compounder, Srijut Gati Nath Bose, continued to work as Head Male Nurse.
- 237. Cholera.—Reports of Cholera came from all the Sub-divisions of the State and the disease threatened to spread in epidemic form. The disease was, however, checked in all the Sub-Divisions except Mathabhanga where it broke out in an epidemic form. The Sub-Division was divided into five circles with a Medical Officer and staff for each circle, to deal with the outbreak. A large number of Tube-wells were sunk in the affected areas to supply pure drinking water. There were altogether 1,167 attacks, out of which 759 cases ended fatally and 408 cases were cured, i. e. 65 per cent cases died.
- 233. Small-pax.—Some sparadic cases of Small-pox occurred in the State Prompt measures were taken to cope with the disease. The total number of attacks was 357, out of which 38 only ended fatally, i.e., 1.64 per cent cases died. The low percentage of mortality from Small-pox was due to thorough vaccination and re-vaccination each year during vaccination season.
- 239. Free Distribution of Quinine.—The scheme of free distribution of Quinine in the State was continued during the year under report. 15,750 Quinine Tabloids altogether were supplied to the Fouzdari Ahilkar, Inspector of Schools and Manager, Court of Wards, Cooch Behar, for free distribution.
- 240. Receipts.—The statement below shows the receipts of the department under different heads in the year under review and the two years previous:—

Heads,	19	928-2	4,	19	91.9	5.	1	925-	26.

241. Expenditure.—The annexed table "X" shows the expenditure of the State Hospitals and Dispensaries. It amounted to Rs. 28,837-0-7 against Rs. 27,889-14-3 in the previous year. The increase in expenditure was due to the annual increment of the pay of some of the staff.

The total expenditure for maintaining the whole Department was Rs. 59,231 against Rs. 56,557 in the previous year. The increase in expenditure was mainly due to the Cholera epidemic at Mathabhanga.

VIII.—VETERINARY.

242. Srijut Mohanta Kumar Sen Gupta, Veterinary Assistant Surgeon was in-charge of the hospital in Cooch Behar Town during the year under report. He was on privilege leave for one month and fifteen days,

Srijut Abani Mohan Sanyal, 2nd Veterinary Assistant Surgeon, (touring officer), was employed throughout the year in the Dinhata and Tufangunj Sub-divisions with his head quarters at Sudder. He also remained in charge of the hospital in (ooch Behar Town while at Sudder during the absence on privilege leave of Srijut Mohanta Kumar Sen Gupta, Veterinary Assistant Surgeon.

The 3rd Assistant Surgeon Srijut Hem Chandra Sen Gupta (touring officer), whose appointment was sanctioned by the Regency Council for the Sub-divisions of Mathabhanga and Mekligunj, on deputation from the Civil Veterinary Department, Bengal, arrived at Cooch Behar on the forenoon of the 21st

September 1925 and joined at his head quarters at Mathabhanga on 11th October 1925. A new out-door dispensary was started there which was temporarily located at the local Panthasala building. A small out-door dispensary will be constructed during 1926-27 at Mathabhanga

- 243. Fresh cases.—In the Veterinary Hospital at Cooch Behar 1770 fresh cases were treated during the year viz., 13 Equines, 30 Bovines and 7 other animals as in-patients and 355 Equines, 1095 Bovines and 270 other animals as out-patients, against 1479 fresh cases during the previous year, viz., 15 Equines, 22 Bovines and 3 other animals as in-patients and 227 Equines, 1038 Bovines and 174 other animals as out-patients, showing an increase of 2.11 fresh cases.
- 244. Old cases.— Four thousand seven hundred and sixty-one old cases were treated, at the hospital, viz., 123 Equines, 549 Bovines and 38 other animals as in-patients and 881 Equines, 2451 Bovines and 719 other animals as out-patients against 5516 old cases of the year previous, viz., 181 Equines, 357 Bovines and 36 other animals as in-patients and 1156 Equines, 3089 Bovines and 607 other animals as out-patients, showing a decrease of 755 old cases.

Medicines were supplied by the Veterinary Assistant Surgeon in-charge of the Sudder Hospital to 112 cases from different villages in the Mofussil and 87 cases from the town which were not brought to the hospital; against 73 cases from the Mofussil and 82 cases from the town in the year previous.

During the year under report the 2nd Veterinary Assistant Surgeon (touring officer) was out in the Mofussil for 131 days and visited 90 villages, against 265 days and 105 villages in the previous year.

- 215. Sixty-five cases of rinderpest, 59 cases of foot and mouth disease and 143 cases of non-contagious diseases were treated by the 2nd Veterinary Assistant Surgeon, against 97 cases of rinderpest, 15 foot and mouth disease and 141 cases of non-contagious diseases in the previous year.
- 246. The decrease in the number of days the 2nd Veterinary Assistant Surgeon spent in the Mofussil and the villages visited and the number of patients treated for non-contagious diseases was due to his remaining in charge of the hospital in Cooch Behar town during the absence of Srijut Mohanta Kumar Sen Gupta, Veterinary Assistant Surgeon, on privilege leave.

The 2nd Veterinary Assistant Surgeon received from the Police Station 11 reports of cases of rinderpest, I of Hæmorrbagic septicæmia and 1 of foot and mouth disease He attended all the reports received and inoculated 1225 head of cattle with protective rinderpest serum against 63 rinderpest, 5 foot and mouth and 3371 head of cattle inoculated in the previous year.

247. During the year under report from the 11th October 1925, the date on which he joined his head quarters at Mathabhanga, the 3rd Veterinary Assistant Surgeon (touring officer) was out in the Mofussil for 102 days and visited 68 villages. He treated 80 new and 118 old cases at head quarters, 21 new cases in the Mofussil for non-contagious diseases and 593 new and 281 old cases of contagious diseases in the Mofussil. The total number of old and new cases treated by him both at head quarters and in the Mofussil was 1093.

Twenty-five outbreak reports were received by him. Of these, 4 cases of hec norrhagic septicæmia, 3 of rinderpest and 15 of foot and mouth disease were reported by the Police Stations, 2 cases of foot and mouth by the villagers and case of Rinderpest was detected by him.

In the area under his charge there were outbreaks of rinderpest in 4 areas. In three of them the outbreaks quickly subsided. In the fourth area 107 head-of cattle were protected with anti-rinderpest serum. There were 47 deaths of cattle from the disease.

There were 57 deaths in the area under the charge of this Veterinary Assistant Surgeon from homorrhagic septic emis.

All the reports of outbreaks of foot and mouth disease in this area were promptly attended to and necessary measures were taken for checking the spread of the disease. There were 73 deaths from this disease in this area.

248. Cattle Fuirs.—During the year under report there were cattle fairs in the jurisdictions of both the 2nd and 3rd Veterinary Assistant Surgeons where a large number of cattle were imported from different places outside the State specially from Behar. They both attended the fairs in their respective jurisdictions, did propaganda work, distributed leaflets of various contagious diseases of cattle amongst the cultivators and cattle dealers in the fairs.

A cattle show combined with an Industrial and Agricultural Exhibition was held in Cooch Behar town in March 1926. The Veterinary Assistant Surgeon, Sudder, was placed in charge of the cattle brought to the show from different places. He distributed leaflets on various cattle diseases among the people in the exhibition area. Lectures on animal husbandry were given in the exhibition area by the Assistant Director, Veterinary Inspector, Jalpaiguri circle, and propaganda officer of the Civil- Veterinary Department. Bengal, who were invited to visit the exhibition. A large crowd attended the lectures.

249. Inspection.—As arranged with the Civil Veterinary Department, Bengal, the Assistant Director and the Veterinary Inspector, Jalpaiguri Circle, of the Civil Veterinary Department, Bengal, paid 1 and 3 visits, respectively, to the State during the year to inspect the work of the Veterinary Assistant Surgeons, and recorded the results of their inspections, copies of which were duly sent to me.

X.—STATE PRESS.

- 258. Charge.—Srijut Gopal Gobinda Guha, Head Clerk and Sheristadar of the Office of the General Department, and during his absence from head quarters, on duty, Srijut Janakiballabh Biswas, 2nd Clerk and Peskar of that Office, held immediate charge of the Press, under the direct control of the Vice-President, Regency Council in the General Department.
- 259. Cooch Behar Gazette.—The Gazette was as usual published regularly twice in a month on each alternate Monday. The number of persons taking the Gazette during the year under report was 277, of whom 158 were paying subscribers and the remainder, namely 89, received the Gazette free of cost. A sum of Rs. 478 was received on account of subscriptions and remuted to the Treasury against Rs. 496 in the preceding year.
- 260. Parichariks.—The monthly Bengali Magazine of that name was printed free and published during the year and papers were supplied for it from the Press stock. The supply of papers has since been discontinued under the orders of the Regency Council.
- 261. Printing of Stamps.—Stamps of different values were printed as usual, according to the requisition of the Treasury Officer, Cooch Behar.

262. Printing of forms etc.—One thousand three hundred and thirty-nine different kinds of forms, reports etc. were received from different offices for printing during the year under report, against 1374 in the preceding year. The Committee formed by the Regency Council to standardise the forms printed in the State Press has taken up the work.

Under the existing orders of the Regency Council the printing of Annual Reports, forms etc. of certain private institutions, was executed free of cost as in previous years.

- 263. Finance.—During the year under report the total receipts derived. from subscriptions to the Cooch Behar Gazette and the sale proceeds of Law Books, packing materials etc. were Rs. 602 against Rs. 845 and the total Expenditure was Rs. 20,355 against Rs. 20,990 of the preceding year. The decrease in Expenditure was mainly due to several vacancies in the Press Staff.
- Mr. A. J. Norton, Superintendent, Government Printing, Bengal, on the request of the Regency Council, visited the press in January 1926 with a view to advising as to its re-organisation. His report of his inspection has since been received.

I have the honour to be,
Your Highness'
Most obedient servant,
C. T. C. Plowden,
Major,
Vice-President, Regency Council,
General Department, Cooch Behar.

HER HIGHNESS WAS PRESIDENT, REGENCY COUNCIL, COOCH BEHAR.

Dated, Cooch Behar, the 13th July, 1:26.

Your Highwass.

I have the homour we success the Annual Report on the Adminis-

tration of the Revenue Department of the State for the year 1925-26.

2. The late Babu Jagadballahh Biswas was in charge of the Department from the beginning of the year to 22nd July 1925, when he fell ill and went on leave to Calcutta where he died. Srijut Rajani Kanta Bhaumik, Fouzdari Ahilkar, officiated as Revenue Officer from the 3rd August 1925 till 12th November 1925 when I took over charge and the Department was under my control for the remainder of the year.

SECTION I-LAND REVENUE.

The current demand of Land Revenue for the year under report was Rs. 20,32,883 and the arrear demand including Rs. 1,907 due to resettlements concluded in the year under report with retrospective effect, was Rs. 3,50,279. The total demand thus amounted to Rs. 23,83,162. The total collection was Rs. 20,52,644 but as this amount includes excess payments amounting to lis. 5,433 on account of future liabilities for land revenue, the net collection for the year was Rs. 20,47,211. Remissions were granted for Rs. 6,636. The net amount credited against the total demand of Rs. 23,83,162 was thus Rs. 20,53,847 (Rs. 20,47,211 plus Rs. 6,686) leaving a balance of Rs. 3,29,315 for recovery. The following table compares the figures for the last eight vears :-

4. From the details in Statements I and II appended to this report which refer to Mal and Debutter land revenue it will be seen that as compared with 1924-25, there was a gross increase of its. 12,404 and a gross decrease of its. 16,515 in the current demand or a resultant net decrease of its. 4,114. For facility of reference, the different items of increase and decrease are shown in the following table:—

Total	12.4 4	Total	16.513	

- 5. The decrease in the current demand was chiefly due to the falling or in the revenue from Syrat Mehals, the revenue from which fluctuates from year to year. In the previous year there was an increase of Rs. 11,945 obtained by the resettlement of Syrat Mehals. The bids were speculative in several instances and the increase obtained in 1924-25 could not be maintained. The decrease under this head during the year under report has nearly counterbalanced the increase obtained in the previous year.
- 6. There was, however, an increase of Rs 2,525 obtained by the actilement of Khas and relinquished Jotes as well as of Khas and Payarti lands as against Rs. 799 of the previous year.
- 7. The collections for the year under report (Rs. 20,32,644) exceeded the current demand, the collections for 1924-25, and the average collections for the preceding five years, by Rs. 19,761, Rs. 2,071 and Rs. 1,37,915 impactively. Of the unrecovered balance of Rs. 3,29,315 shewn in the table in paragraph 3 above, Rs. 1,43.679 was due at the close of the year from the extract under the management of the Court of Wards.

There was a slight improvement in the total collections in comparison with the previous year. Excepting in Tufangunj, the collection exceeded 100 per cent of the current demand in all the Sub-divisions. There was a slight falling off in collections in the Sudder and the Dinhata Sub-divisions, but the other Sub-divisions shewed an improvement. The balance decreased everywhere except in Tufangunj.

8. As shewn in the table in paragraph 3, the balance outstanding at the close of the previous year amounted to Rs. 3,48,372, while that brought forward in the accounts for the year under report was Rs. 3,50,279. The increase of Rs. 1,907 was due to resettlements concluded during the year under report with retrospective effect. The details of the arrear balance at the end of 1925-26 are shewn in the following table:—

The amount remitted but of the arrear demand (Rs. 6,286) together with the amount written of out of the current demand (Rs. 666) makes up the total of its. 6,636 nn account of remission granted during the year which is only 27 per cent of the total demand of Rs. 28,88,162. The remissions were due to diluvion, acquisition of last for public purposes and other miscellaneous causes. causes.

- 9. The total number of Jotes shewn on the resume rolls was Taken against 25,355 of the previous year. There was thus at increase of 71 June due as usual to settlement of Khas lands and resettlement of Khas and relinquished Jotes. 7,498 Jotes were advertised for sale for recovery arrears of revenue, out of which 736 were actually sold. The number of cases in which the sale was annulled was 195. The penalties realised amounted to Rs. 7,057, of which Rs. 1,797 was paid to the auction-purchasers under subsection 5 of Section XXVII of the Revenue Sale Act.
- 10. There were 2,463 cases under the Public Demands Recovery Act, of which 1,908 were disposed of and 555 remained pending at the close of the year. The recoveries by this procedure amounted to Rs. 1,38,695.
- 11. Canoongoes.—As the Settlement operations are still in progress, Munshi Kazemuddin Ahmed, First grade Canoongoe of the Revenue Department, continued to be on deputation to the Settlement Department. The work of pointing out the sites of masonry pillars to be replaced by re-inforced concrete pillars all along the Cooch Behar-Jalpaiguri and Cooch Behar-Assam boundaries referred to in the previous year's report could not be finished by Canoongoe Srijut Jyotish Chandra Das Gupta during the year as he was engaged on other urgent work in connection with the Cooch Behar-Assam boundary.

The number of cases which remained pending with the Canoongoes at the end of the previous year was 144. Together with 1,593 cases made over to them for enquiry during the year, the total number of cases for enquiry was 1,737 against 1,782 of the previous year shewing a decrease of 45 cases. Enquiries were completed in 1,523 cases and 29 cases were returned without enquiry. Altogether 185 cases remained pending at the close of the year. The number of cases enquired into in each Sub-division is shewn below:—

12. Revenue Cases.—Four thousand one hundred and seventy-four cases were instituted during the year under report and 1,370 cases were pending at the close of 1924-25. The total number for disposal was thus 5,544, of which 4,307 cases were disposed of and 1,237 remained pending at the close of the year. The following table compares the work in the Sub-divisional Offices during the last two years:—

18. Cases in which the State is a party.—The only case in which the State was a party and in which the State Pleader appeared on behalf of the State was Civil Suit No. 7 of 1921-22 (Umesh Chandra Bhaduri ere. Ramesh Chandra Fhaduri and the State. This case has been pending from the previous years. It has now been concluded and is ripe for judgment.

14. Nesarat.—The following comparative table shows the work done by this department during the last two years:—

	Year.	•	Process served free of charge.	Process for resigna- tion of arrears of revenue for which fees are realised afterwards	Process for which fees have been realised.	Total number of process.	Amount realised.	Expenditure.		
	•				11,607	10.100	Re. A. P.	1

1925- 26	•••	•••	8,51+	8,678	18,060	. 20,252	18,072 12	8,918 1 7		

The total number of processes rose from 19,188 in the previous year to 20,252 in the year under report. The number of processes for which fees were realised increased by 1,453 and there was a corresponding increase of Rs. 929-8-0 in process fees. The expenditure during the year was Rs. 8,918-1-7 which exceeded that of the previous year by Rs. 704-7-0. This excess was due to the grant of Grain Compensation Allowance with effect from the beginning of the year under report to employees drawing a pay of not more than Rs. 25 a month. The total realisations exceeded the expenditure by Rs. 4,154-10-5.

Communication Improvement Coss.—The current demand during the year under review was Rs. 1,951 against the same amount of the year previous. The arrears amounted to Rs 365 against Rs. 277 of the previous year. The total demand was, therefore, Rs. 2,316 against Rs 2,228 in 1924-25. Rs. 1,916 was collected during the year against Rs. 1928 of the year previous. The amount of excess collections or collections made against future demands was Rs. 49 against Rs. 65 of the preceding year. The collections made during the year fell short of the current demand by Rs. 35. The balance left unrealised at the close of the year was Rs. 448.

16. · Crops and condition of people.—The rainfall registered during the year at the Sudder Station was 126.90 inches against 162.13 of the previous year and the normal minfall of 135 98 inches. The details in the *margin shew the distribution month by month. The rainfall during the year fell short of that in the year previous by 85.23 inches, and of the normal by 9.05 inches.

The even distribution of rainfall during the months of April and May facilitated the cultivation of bitri paddy, but the heavy and frequent showers during the succeeding month of June were not helpful towards the weeding operations which were retarded in consequence. The plants did not thrive well and when they were in ears, high winds blew and damaged the crop to a certain extent with the result that only a 9 anna crop was harvested and the price varied from Rs 2-8 to Rs. 3-12 per maund.

The heavy rains in June retarded the weeding of jute also and arrested the proper growth of the plants. There was no difficulty in steeping and washing the jute, but for the reason stated above the outturn was not more than S annas. The price rose considerably and ranged between 18s. 16 and 18s. 25 per maund against Re. 8 to Rs. 16 in the previous year. The high price of jute amply compensated the cultivators against a short outturn.

The weather conditions were favourable to the cultivation of keimantic buddy. There was no hindrence to the ancessful resolver of the conditions in

puldy. There was no hindrance to the successful rearing of the seedlings in the nurseries and to the work of transplantation. The showers were seasonable and beneficial to the growth of the plants. Some damage was, however, done by the flood to certain Taluks in the Sub-division of Tufapguaj. The crep

when harvested yielded an outturn of 15 annas and the price of common rice

ranged between Rs. 5 and Rs. 8-12 per maund.

The falls in September left an abundance of moisture in the fields and the sowing of tobacco seeds was delayed in consequence. The work of transplantation, however, progressed favourably and the weather conditions helped the plants to thrive well. In the month of March there was a hailstorm which damaged the crop to some extent in certain tracts of the Sudder Sub-division. The outturn yielded was 12 annas only and the price ranged between Rs. 13 and Rs. 27 per maund.

The outturn of mustard seed was 11 annas only and the price varied from

Rs. 7 to Rs. 11 per maund.

During the year under report, small-pox was prevalent more or less in all the Sub-divisions of the State The Dinhata Sub-division suffered the most. The number of persons attacked was 396, of whom 64 died.

Cholera broke out during the year in all the Sub-divisions of the State. There were 947 deaths out of 1,143 persons attacked. The largest number of cases occurred in the Mathabhanga Sub-division. Dinhata also fared badly but not so much as Mathabhanga.

Cattle-disease was reported from the Sudder and Dinhata Sub-divisions only. The total number attacked was 363, of which 217 died.

18. Tours. - I was away from Head-quarters for 20 days including the period spent in Calcutta for attending Council meetings. My predecessor the late Babu Jagadballabh Biswas and the Officiating Revenue Officer Srijut Rajani. Kanta Bhaumik were out on tour for 11 and 22 days res-

The Sub-divisional Officers of Dinhata and Mathabhanga should have spent a larger number of nights in the interior. The touring done by the Malcutchery Naib Ahilkar also appears to be inadequate. Their attention is being drawn to this matter.

19. Intestate property.—The properties of persons who died intestate and heirless escheated to the State under the provisions of the Unclaimed and Intestate Property. Intestate Property Act as in the previous year. The number of creek of such

escheats and the recoveries made on account of them in each Sub-division are shown below:

20. Character of officers.—The-Head Clerk and Sheristadar Srijut Mohim Chandra Mukerjee continued to work efficiently and satisfactorily.

SECTION II.—EXCISE REVENUE.

21. The Excise Revenue from outstills increased from Rs. 80,088 in 1924-25 to Rs. 81,648 in the year under report. The revenue from duty levied on consumption of Gunja increased from Rs. 67,608-4 to Rs. 76,740 and the revenue from Opium from Rs. 23,572 to Rs. 24,637. The current demand of Excise Revenue for the year was Rs. 2,34,167 against Rs. 2,22,102 of the previous year shewing an increase of Rs. 12,035. Including the arrear demand of Rs 4,448, the total demand was Rs 2,38,615. The collections amounted to Rs. 2,34,167 out of the current demand and to Rs. 521 out of the arrear demand. The total collections were Rs. 2,34,688, of which the details are shewn in the appended Statement. The total population of the State according to the last Census of 1921 being 5,92,472, the incidence of Excise Revenue per head of population was 6 annas and 4.05 pies.

22. The table given below compares the collection in each Sub-divisional office during the last two years:—

Name of	Sub-division.		Total dem 1925-1		for	Total collect 1925-192		for	Total collect 192:-19		for
Sudder Tufangunj Mekligunj Mathabhanga Dinhata			Rs. 85,488 30,286 42,408 89,778 40,660	A: 0 0 0 0	P. 0 0 0	Rs. 84,880 29,011 42,408 87,729 40,660	A. 0 0 0 0	P. 0 0 0 0 0 0	Rs. 86,098 26,779 39,501 83,740 38,870	A. 0 0 0 0 0 0 0	P. 0 0 0 0 0
	Total	•••	2,38,615	0	0	2,34,688	0	0	2,24,988	Ú	0

It will appear from the Statement that excepting at the Sudder there was a marked improvement in collections in every Sub-division of the State, Dinhata and Mekligunj showing the best results. The increase of Rs. 9,700 in the total collections was mainly due to the increased consumption of country spirit, Ganja and Opium as also to the rise in the duty on Gunja during the year under report.

- 23. The variations under each head of Revenue are explained below:
 - (a) Country spirit.—The current demand on account of license tens increased from its. 80,088 in 1924-25 to Rs. 81,648 in the year under report and there was a corresponding increase in collections.
 - (b) Imported spirit.—The license fees amounted to Rs. 420 against the same amount in the previous year. The collection on account of license fees of denatured spirit was Its. 80 against Rs. 15 of the previous year. Three new shops of denatured spirit were opened during the year under report. There was an increase in consumption from 179 bottles in 1924-25 to 8484 in the year under service, resulting in an increase in receipts from duty from Rs. 67-2 to Rs. 138-18.

- Rs. 43,790. The amount collected was Rs. 42,569 against Rs. 43,806 of the previous year. The consumption amounted to 87 maunds 21 seers and 8 Chataks which exceeded the consumption for the previous year by 1 maund 13 seers and 12 Chataks. The increase in collections on account of duty which rose from Rs. 67,608-4 in 1924-25 to Rs. 76,740 in the year under report was mainly due to the rise in the rate of duty from Rs. 21 to Rs. 22 per seer with effect from the 1st May 1925. From the previous year's report it will be seen that the duty was levied at the rate of Rs. 20 per seer for about 10 months from the beginning of the year and at Rs. 21 per seer for the remaining two months.
- (d) Opium.—The consumption of opium amounted to 8 maunds and 27 seers which exceeded that of the previous year by 15 seers. The duty devied during the year necessarily increased from 18s. 23,572 to Rs. 24,637. There was a decrease of Rs. 27 only in the license fees which amounted to Rs. 4,128.
 - (e) Nineteen licenses were issued to vendors of fresh Tari during the year under report and Rs. 95 was realised on account of license fees.
 - (f) Seventy-five permits to Chemists and Druggists were granted during the year under report against seventy-two in the previous year. The license fees at Re. 1 each amounted to Rs. 75 against Rs. 72 of the previous year.
- 24. There were 3 cases under the Excise Law, of which 2 ended in conviction and 1 remained pending at the close of the year.
- 25. Rupees 3,969-0-6 was received from the Government of Bangal during the year under review against Rs. 4,005-2-11 in the previous year on account of compensation for transfer to that Government of the Excise Administration of all the isolated Chhits of Cooch Behar territory in Bengal.

SECTION III.—COURT OF WARDS.

26. Estates under the management of the Court of Wards.—There were 26 Estates under the management of the Court of Wards at the close of 1924-25. No new estate was taken under management during the year nor was any estate released with the result that there was no change in the number of the estates under management. A comparative statement shewing the current and arrear demands of the estates as also the demands of Revenue and Rent due from them is given below;—

				1924-25, Rs.	1925-26, Ra.
Current demand	•••	•••	•••	2,49,577	2,88,404
Arrear demand	•••	•••	•••	4,31,475	4,07,928
Total demand	•••	•••	•••	6,81,052	6,46,332

Payment on accor superior land-le	int of reve ords.	nue and rents	s to		1,78,639

The decrease in the current demand for the year under report was due to (1) the release of the property in the British districts of the estate of Monmohini Daya; (2) the Court of Wards having cessed to manage the property at Debigunj in the Jalpaiguri district of the estate of the late Babu Umesh Chandra Talukdar; and (3) the property in the Mathabhasiga Subdivision of the estate of Babu Jatindra Chandra Maitra and others being placed under the management of the proprietors.

27. The following statement shows the receipts and disbursement of the estates for the year under toport;—

adjustment of advances 93,092 Purchase of property	92.9 18 883
anti udposits serended	88 3
Luvescmens (deposite in Hank)	48 107
Rent collection including interest 2,47,744 Law charges Collection of costs 20,832 Investment (Aprosite in Rent)	1,73,639 29, 57 16,071

28. Character of officers.—The Manager Srijut Pramatha Bhusan Chakravarti is an intelligent officer who takes interest in his work. The arrear demands of the estates are heavy and it will be greatly to the Manager's credit if he can substantially reduce the heavy arrears.

SECTION IV.—DEBUTTER DEPARTMENT.

- 29. The Janmatithi celebration of His Highness the Maharaja Bhup Bahadur was performed during the year under report at Woodlands, Calcutta, on the 24th November 1925 as desired by Your Highness. The annual Ekoddista Sradh of His Highness the late Maharaja Sir Jitendra Narayan Bhup Bahadur, K. C. S. I., was also performed there on the 17th December 1925.
- 30. The daily recitation of Mrityunjaya Mantra which was commenced in March 1925 at the Sudder Thakurbari as mentioned in the previous year's report was concluded during the year under review. The expenditure incurred was Rs. 561.
- 31. The room with the padastal on which Sree Sree Anandamoyee Kali Thakurani is installed at the Sudder Thakurbari was provided with a marble floor at a total cost of Rs. 555.
- 32. The anniversary of the demise of His Highness Maharaja Sir Nripendra Narayan Bhup Bahadur, c. c. i. E., c. B., and that of His Highness Maharaja Raj Rajendra Narayan Bhup Bahadur were celebrated as in previous years with due solemnity on the 18th and the 1st September respectively. The residents of the town assembled in large numbers in front of the Samadhis where special prayers were offered.
- 33. In the Debutter Department, the total disbursement amounted to Rs. 54,068 against Bs. 60,905 of the previous year.
- 34. Cooch Behav.—The charges for the cost of establishment were Rs. 12,227 against Rs. 11,905, Pujahs &c., Rs. 28,024 against Rs. 28,839, Repairs to Temples Rs. 790 against Rs. 450, Dharmasala Rs. 2,897 against Rs. 2,731 and other miscellaneous charges Rs. 10,630 against Rs. 11,171 of the previous year.
- 35. All the Pujalis and periodical ceremonies were duly performed A very large number of people attended the Rashmela during the year under report. The Ballway authorities had to arrange for special trains for the conveyance of visitors to the Mel.

- 36. The number of poor people who were provided with food at the Sudder Thakurbaris was 67,031 against 65,544 of the previous year with a corresponding increase in the daily average from 179.57 to 183.64.
- 37. The number of guests and Atithis fed at the Dharmasala was 1,612 against 1,708 of the previous year.
- 38. The number of patients who attended the State Ayurvedic Charitable Dispensary was 15,175 with a daily average attendance of 41.57. The Ayurvedic garden in the town was maintained as heretofore.
- 39. The number of poor students who received stipends from the Debutter Department during the year was 39 of whom 19 were natives of the State. The total amount disbursed for stipends was Rs. 2,948. Among the stipendiaries, three passed the I. Sc., and one the Matriculation Examinations. The results of the B. A. and B. Sc., Examinations are not yet out. Of the successful candidates, one was a native of the State. During the year new educational stipends were granted to 12 students.
- 40. The amounts disbursed from the Debutter Department on account of contribution to Religious and Charitable Institutions, Donation, Allowance to Rajgons as well as Allowance to Brahmans and others were Rs. 7,505, Rs. 4,723, Rs. 30,470 and Rs. 12,755 respectively. Contribution to Religious and Charitable Institutions increased from Rs. 4,934 in 1924-25 to Rs. 7,505 during the year under report. The increase was due to an additional grant of Rs. 1,700 being made for the improvement of the Cooch Bchar Leper Asylum and of Rs. 1,500 for a silver cup presented to the Royal Turf Club, Calcutta. Besides these expenditure, contributions and donations amounting to Rs. 1,400 were paid direct from the Treasury.
- 41. Benares.—The Miscellaneous receipts including the sale-proceeds of the garden produce at Benares amounted to Rs. 244 against Rs. 319 of the previous year. The expenditure on account of establishment and other charges was Rs. 4,037 and Rs. 18,302 against Rs. 4,029 and Rs. 12,352 respectively of the previous year. The increased expenditure under other charges during the year under report was chiefly due to the large outlay in repairing the State houses at Benares. The number of persons who were provided with free meals at the Chhatra was 92,030 against 89,862 of the previous year, shewing an increase of 2,218 persons.

SECTION V.-MISCELLANEOUS.

- 42. Bund rs.—The total number of carts registered at the Bunder at Haldibari was 32,151 against 58,571 of the previous year shewifig a decrease of 26,420 carts. Owing to the partial failure of the jute crop, the number of jute carts which came to the Bunder during the year was less than one half of the number which came to the Bander during the previous year. The large decrease in the number of jute carts accounted for the decrease in the total number of carts. There was also a small decrease in the number of carts carrying commodities of other kind excepting bamboo-mats and tobacco. The collection of tolls necessarily came down to Rs. 4,025-6-0 from Rs. 7,330-8-6 of the previous year. The expenditure amounted to Rs. 1,502-10-11 against Rs. 1,541-2-6 in 1924-25. The net gain to the State was, therefore, Rs. 2,522-11-1. There was also a decrease in the export of jute and tobacco from the Calicagunj Bunder at Mathabhanga, 20,918 maunds of jute and 45,540 maunds of tobacco being exported from the Bunder against 30,144 and 59,725 maunds, respectively, in the previous year.
- 43. Fairs.—The total collection of tolls at the Garad Hat, Fulbari and Changrabandha Fairs amounted to Rs. 1,029 against Rs. 1,384 of the previous year. The collection for Rashmela in the town of Cooch Behar during the year under report was Rs. 1,078 only against Rs. 4,881 in the previous year. The decrease was due to the fact that no Triguti Khela (a kind of gambling) was permitted in the Mela. There were fannual fairs held at Dishess and

Haldibari as usual and the collections from these two fairs were as usual made over to the local Town Committees. An income of Rs. 465 was derived from the Gadadhar Fair which is held in Taluk Ambari at the configence of the Kaljani and the Gadadhar rivers. The Shivaratri Mela at Baneswar which is gradually growing in importance yielded an income of Rs. 130 against Rs. 91 of the previous year. There was no Baruni Mela at Kalighat in the Sudder Sub-division during the year under roport.

An Agricultural and Industrial Exhibition with a cattle show was held in the month of March on the Parade grounds in the Town of Cooch Behar under the kind patronage of Your Highness. Subsidiary attractions were provided in the shape of Sports, Jatra performances and Bioscopes and people flocked in large numbers to see the Exhibition. A sum of Rs. 2,000 was paid towards the Exhibition Fund from the Revenue Budget under orders of the Regency Council. The Exhibition was a great success.

44. Cooch Behar Town—The current demand of Land Revenue in the town was Rs. 26,178 against Rs. 31,349 of the previous year. The decrease was mainly due to the decrease in the Syrat Revenue from the Devibari Mela and the Rashmela where no Triguti Khela was permitted to be held during the year under report. Together with an arrear demand of Rs. 3,403 the total demand was Rs. 29,531 out of which Rs. 25,729 was collected inclusive of an excess payment of Rs. 66 The balance remaining unrealised at the close of the year was Rs. 3,918. The revenue derived from the Town was as usual paid to the Town Committee of Cooch Behar.

I have the honor to be,
YOUR HIGHNESS'
Most obedient, humble servant,
H. L. KHASTGIR,
Revenue Officer of the State, Cooch Behar.

H. L. KHASTGIR, Esq., RAI BAHADUR, M. A.,

Revenue Officer of the Cooch Behar State,
In the Treasury Department.

To

HER HIGHNESS THE PRESIDENT,

Regency Council, Cooch Behar.

Dated, Cooch Behar, the 15th June, 1926.

Your HIGHNESS,

I have the honour to submit the Annual Report on the working of the Cooch Behar Treasury during 1925-26.

- 2. The immediate charge of the Treasury was held throughout the year hy Srijut Sarat Chandra Ghoshal. There was a change in the office of the Head of the Department owing to the death on the 28th July, 1925, of Srijut Jagadballabh Biswas, M. A., B. L., Srijut Rajani Kanta Bhaumik, M. A., B. L., temporarily held charge of the office from the 3rd August, 1925 until he was relieved by me on the 12th November, 1925.
- 3. The year opened and closed with a respective cash balance of Rs. 15,49,737 and Rs. 15,56,021 as shewn below:—

To

HER HIGHNESS THE REGENT AND PRESIDENT, REGENCY COUNCIL, COOCH BEHAR.

Duted, Cooch Behar, the 28th July 1926.

Your Highness,

I have the honour to submit the Annual Administration Report of the Settlement Department for the year 1925-26.

- 2. Charge.-I . held charge of the Department throughout the year.
- 3. Staff.—Sreejut Karali Charan Ganguli of the Bengal Civil Service continued to be the Settlement Officer of the State, except for a period of one month, from the 20th January to the 19th February 1926, when he was absent on leave and Sreejut Priyanath Ray Choudhuri, Assistant Settlement Officer, remained in charge of the office.

The three experienced Kanungos lent by the Government of Bengal worked as Assistant Settlement Officers throughout the year. Munshi Kajemuddin Ahmed, Senior Kanungo of the Revenue Department of the State, remained on deputation in the Settlement Department during the year. This Kanungo and Sreejuts Bijay Chandra Banerjee and Srish Chandra Ghosh, temporary Kanungos, were vested with the powers of Assistant Settlement Officers under the Resettlement Notification dated the 7th March 1926 published in the State Gazette dated the 22nd March 1926 in order to expedite the hearing of objections. Sreejut Ishan Chandra De, Assistant Kanungo, reverted to the Revenue Department on the 1st June 1925.

Sreejut Priyanath Ray Choudhuri, Assistant Settlement Officer, spent 52 days in May 1925 and January to March 1926 in helping the Naib Ahilkar, Tufanganj, during the adjustment of the boundary of the State with the Goalpara and the Rangpur districts.

4. Final orders on the proposals in connection with the resettlement.—
As stated in last year's report, the Regency Council's proposals for the resettlement of the land revenue of the State were forwarded to the Political Agent for his concurrence on the 4th April 1925, with a letter which reviewed it length all the questions requiring consideration. The Regency Council had proposed to offer alternatives of a settlement for 99 years and of a settlement or 30 years, the former offer involving higher rates of revenue than the latter in the case of seven out of the fifteen classes of land. Their sole reason for proposing a 99 years settlement was that His Highness, the late Maharaja, had decided and publicly announced that the settlement about to be concluded would be for 99 years. After careful consideration of the proposals of the Regency Council, His Excellency the Governor of Bengal in Council was satisfied that a settlement for 99 years would not be in the interests of the Ruling Family of the jotedars or of the undertenants, and he was unable,

therefore, to agree to it. His Excellency in Council, however, accepted the alternative proposal for a 30 years settlement and all the other proposals of the Regency Council. The orders of Government were received at the end of June 1925 and the Resettlement Notification duted the 11th July 1925 containing the final orders of the Regency Council was published, (both in English and Bengali), in two successive issues of the State Gasette (dat at the 13th and 27th July 1925), for general information.

The final orders are reproduced below:--

- "1. Period of settlement.—The period of the settlement about to be concluded shall be for 30 years. This period of 30 years shall be counted from the beginning of the Bengali year in which the rents and revenue about to be settled take effect.
- "2. Rates of revenue.—(a) The provisional rates of assessment per bigha for Awal, Doem and Soem land sanctioned on the 10th April 1922 and published in the State-Gazette dated the 12th April 1922 are confirmed. These rates are:—

		•	CL	ass of tai	LUK.

Soem	•••	•••	0 11	0 9	0 8

(b) The old rates for all the other 12 classes of land shall remain unaltered for the whole period of the settlement.

"3. Girds Chow a, Sandara and Bilat Bisguri.—In the case of these Girds:—

(a) The old rates for laik patit and nalaik patit land, vis., 2 annas per bigha and 1 anna per bigha, respectively, shall be retained; and

(b) the rates for all the other 13 classes of land shall be 5ths of the rates applicable to Jotes in ordinary tracts. The table below shows the rates to be applied to the 13 classes of land in these three Girds:—

"4. Payasti lands, lands in towns and Bunders and semilification of State Khas lands.—Payasti lands will be subject to a 10 years settlement in accordance with past practice. The settlement of lands in towns and Bunders and new settlement of State Khas lands will be subject to such terms and continue may be decided upon from time to time.

- "5. Moharuri and Laikeraj Estates.—The rates and the period of settlement mentioned in the foregoing paragraphs for Mal and Debutter Mahals shall apply to the holdings in Mokarari and Lakheraj Estates.
- "6. Rents.—Fair and equitable rents shall be settled for all grades of undertenants, including the Krishiprajas (illegally settled undertenants now recognised under the title of cultivating raiyats) on the basis of the classification of the soil and as far as possible according to the scale of profits hitherto in force and now slightly modified in order to provide for the cases of Krishiprajas (vide paragraph 7 (r)).
- In the cases, however, in which the rents paid are in excess of the rents payable in accordance with the sanctioned scale of profits the procedure laid down below shall be followed:—
 - Where the existing contractual rent of an undertenure exceeds the rent calculated under the sanctioned scale of profits but does not exceed double that rent, the immediately superior landlord shall be allowed either the existing profit or a profit of 50 % in excess of that admissible under the sanctioned scale, whichever is less. Where, however, the contractual rent exceeds double the rent calculated under the sanctioned scale of profits, the immediately superior landlord shall be allowed double the sanctioned profit, provided that the contractual rent has been realised for more than 10 years, the burden of proving which shall be on the landlord. Failing such proof, the landlord shall be allowed a profit only 50 % in excess of that admissible under the sanctioned scale of profits.

Illustrations.

- (1) Where a Jotedar's revenue is fixed at Rs. 100 for a certain arear, the Chukanidar's rent at the sanctioned rate of profit, in respect of the same area, should be Rs 135 and the Jotedar's profit Rs. 35. If the rent be contractual and exceeds Rs. 185 but does not exceed Rs. 270, the maximum rent allowable shall be Rs. 152-8 (or Rs. 1003 + 5 + 17-8); but where the existing rent does not exceed Rs. 152-8, the existing rent shall remain in force for the whole period of "the settlement; i.e., Chukanidars' rents ranging between Rs. 135 and Rs. 152-8 shall not be altered, while those between Rs. 135-3 and Rs. 270 shall be reduced to Rs. 152-8. Where the existing contractual rent exceeds Rs. 270 and the Jotedar proves collection of that rent for more than 10 years, the Chukani rent shall be fixed at Rs. 170 (or Rs. 100+35+35); but failing such proof, it shall be reduced to Rs. 152-8.
- Where the Jotedar's revenue is fixed at Rs. 100 and the Chukanidar's rent at Rs. 185 and the entire area has been sublet to a cultivating Darchukanidar, the Chukanidar should get a profit of Rs. 25 under the sanctioned scale and the calculated rent of the Darchukani should be Rs. 160. If, however, the Darchukani rent be contractual and exceeds Rs. 160 but does not exceed Rs. 320, the maximum rent allowable to the Chukanidar shall be Rs. 172-8 (or Rs. 185+25+12-8); but where the existing rent does not exceed Rs. 172-8, it shall be retained; i.e rents ranging between Rs. 160 and Rs. 172-8 shall be left unaltered, while those between Rs. 172-8 and Rs. 220 shall be reduced to Rs. 172-8. Where the existing contractual rest exceeds Rs. 320 and the Chukanidar proves collection of that rent for more than 10 years, the Darchukani rest shall be fixed at Rs. 185 (or Rs. 135+25+25); but in the absence of such proof, it shall be reduced to Rs. 172-8.

- (3) If, in illustration (2) above, the Chukanidar's rent be contractual and be fixed on the lines laid down in (1) above, the rent so fixed shall be substituted for Rs. 135 in the above calculation, (but not for calculating the rent of the Darchukani at the sanctioned rate of profit) and the Darchukani rent shall be settled accordingly. Thus, where the Chukani rent is fixed at Rs. 152-3 instead of at Rs. 135, the minimum rent allowable to the Chukanidar is Rs. 177-8 (or Rs. 152-8+25). If the Darchukani rent be contractual and ranges between Rs. 177-8 and Rs. 320, [or 2 × (135+25) but not 2 × 152-8+25) or 255], the maximum rent allowable to the Chukanidar shall be Ks. 190 (or Rs. 152-8+25+12-8), and rents between Rs. 177-8 and Rs. 190 shall be retained, while those between Rs. 190 and Rs. 320 shall be reduced to Rs. 190. Where the existing contractual rent exceeds Rs. 320 and the Chukanidar proves collection of the same for more than 10 years, the Darchukani rent shall be fixed at Rs. 202-8 (or Rs. 152-8+25+25). Failing such proof, it shall be fixed at Rs. 190.
- Where the Chukani rent is fixed at Rs. 170, the minimum rent for the Darchukani is Rs. 195 (or Rs. 170+25). But if the Darchukani rent be contractual and exceeds Rs. 195 but does not exceed 1 s, 320, the maximum rent allowable to the Chukanidar shall be Rs. 207-8 (or Rs. 170+25+12-8); and rents ranging between Rs. 195 and Rs. 207-8 shall be retained, while those between Rs. 207-8 and Rs. 320 shall be reduced to Rs. 207-8. Where the existing contractual rent exceeds Rs. 320 and the Chukanidar proves collection of the same for more than 10 years, the Darchukani rent shall be fixed at Rs. 220 (or Rs. 170+25+25). Failing such proof, it shall be reduced to Rs. 207-8.
- In the case of legally settled undertenants, where the existing rent is less than the rent payable under the sanctioned scale of profits, it shall be raised to the amount admissible under the sanctioned scale of profits.
- In the case of Krishiprajas, where the existing rent is less than the rent payable under the sanctioned scale of profits the rent shall be raised to the amount admissible under the sanctioned scale of profits.
- In the case of all future settlements of undertenants the rent shall be calculated on the basis of the classification of lands contained in the Terij and shall not exceed by more than the sanctioned scale of profits the rates at which the lessor's rent or revenue's calculated in the Terij. In the case of future settlements of tenants not paying revenue to the State, the proprietors of revenue-free and Mokarari Estates shall be entitled only to rents at the sanctioned rates of revenue based on the classification of lands contained in the Terij. These provisions shall apply to all holdings not shown in Terijes now under preparation.
- Illustration.—For example, where the Jotedar's revenue is fixed at Rs. 100 and the Chukanidar's rent at Rs. 135 in respect of a certain area and that area is sublet to a Darchukanidar in the future, the Darchukani rent shall not exceed Rs. 160 (or Rs. 125+25). If, however, the Chukanidar's rent is contractual and is fixed at Rs. 152-8 as provided in illustration (1) above, the Darchukani rent shall not exceed Rs. 177-8 (or Rs. 152-8+25).
- The realization of rent in excess of the rent legally payable is Table to the penalty imposed by section 69 of the Cooch Belier Tanancy Act. Naib Ahilkars are empowered to take action under that section suo molu or on simple petition or on reference from other Courts The penalty imposed shall be recoverable under the Public Demands Recovery Act.

- "7. Krishiprajas (Culticat of Raiyats).—In the case of Krishiprajas (Cultivating Raiyats);—
- (a) The illegal tenancies discovered in the course of the present revisional operations shall be recognised and, except as regards rents payable which shall be governed by the orders now passed, shall possess the rights specified in the State Council Istaharnama dated the 2nd May 1918, relating to illegal settlements. As already announced in paragraph 5 of the Notification dated the 8th July 1925 published in the State Gazette (Extraordinary) dated the 9th July 1925, no Krishipraja will be required to pay Rs. 5 stamp for the recognition of his rights.
- (b) Where illegally settled tenancies of more than one grade exist, those of the lowest grade alone shall be recognised. If, however, the intermediate illegal tenants hold some lands in khas possession they shall be recorded as Krishiprajas under the legal tenants in respect of those areas alone and the old as well as the new rents shall be split up on the basis of the areas under different classes in khas possession of the occupants of each such holding.
- (c) Where an illegally settled tenant has sublet land by registered patta the tenant to whom the land is sublet shall be treated as Krishipraja provided that he holds land in khas possession, and the case of the illegally settled tenant so subletting shall be governed by the provisions of (b) above.
- (d) If in the case of a verbal tenancy under a Jotodar or a Chukanidar there has been an exchange of registered patta and kabuliyal since Khanapuri, such tenancy shall be treated as a legal Chukani or Darchukani, respectively. This provision will apply also to those cases only of the nature described in which there may be an exchange of registered patta and sabuliyat within two months from the date of publication of this Notification.
- (e) The percentages of profits shall be the same as in the case of legal undertenants of the corresponding grades, i.e., for this purpose a Krishipraja under a Lotedar shall be treated as a Chukanidar; one under a Chukanidar as a Darchukanidar, and so forth. If any Krishipraja be found under a Tasya-tali-chukanidar the percentage of profit shall be raised to 65 in the case of such a tenancy.
- "8. Future illeval settlements of undertenants.—In the event of any undertenance being created contrary to the provision: of the Cooch Behar Tenancy oct and of this Notification, such undertenure shall not be recognised but shall be annulled and the lease of the creator of such undertenure shall be liable to be cancelled by the Revenue Officer of the State and all the right, title or interest of the creator of such undertenure in the lands covered by the lease shall thereupon be extinguished, or if the Revenue Officer of the State sees fit he may inflict a fine not exceeding Rs. 500 in lieu of cancelling the lease of the creator of the undertenancy. Such fines shall be recoverable under the Public Demands Recovery Act
- Where the creator of such undertenure is a co-sharer, his right, title, or interest alone shall be liable to be extinguished and he alone shall be liable to the fine prescribed above.
- In the event of any tenure being created by the proprietor of a revenuefree or Mokamer Betate contrary to the provisions of the Cooch Behar Tenancy Act and of this Notification such tenure shall not be recognised but shall be amunifed and the creator of such tenure shall be lights to a done not exceeding Rs. 500 by the Revenue Officer of the State. Such fines shall be recoverable under the Public Lemands Resovery Act.

- Failure to register natins and kabuliyats within 12 months from the date of creation of a tenure not paying revenue to the State or an undertenure shall be treated as an illegal settlement for the purposes of this paragraph.
- Naib Ahilkars and Additional Naib Ahilkars are empowered to enquire into such cases as are mentioned above either on application or such mitu or on reference from other Courts and they shall forward the papers with a statement of the case and their recommendations to the Revenue Officer of the State for the passing of orders.
- In cases in which the right, title or interest in lands are extinguished as provided for above, the lands shall revert to the immediately superior landlord.
- of tenancies.—Patas and kahulivats shall be presented for registration within six months from the date of creation of a tenure not paying revenue to the State or an undertenure. Failure to comply with this order shall be punishable with fine not exceeding Rs. 50 for each month or part of a month commencing from the date on which the period of six months referred to above terminates. Naih Ahilkars and Additional aib Ahilkars are empowered to deal with such cases either suo motu or on simple petition or on reference from other Courts. The proceedings shall be summary and the fines shall be recoverable under the Public Demands Recovery Act. In accordance with the orders contained in paragraph 8 no pata or abulinat shall be accepted for registration after the expiry of 12 months from the date of creation of a tenure or an undertenure."
- Other important Notifications, publication of Ekwoul-Jamabandis and disposal of objections.—As a considerable time had elapsed since the completion of field work and the records were likely to be out of date by the time the Terijes would be distributed, the Regency Council were pleased to afford the parties an opportunity to have recorded all changes which had not been entered in the Settlement papers and also to point out mistakes, if any, in the calclustion of the new jamas to be settled now. . According to the recommendations of the Director of Land Records and Surveys, Bengal, the Ekwal-Jamabandis (rent and revenue rol's) were, therefore, published at convenient centres from the 20th November 1925 till the end of the year and objections made to any entry in the Ekwal-Jamabandi or omission therefrom were received during that period. In order to expedite the correction of records in the Settlement Office in the case of changes in names of occupants on account of death, transfer, surrender, new settlement, etc. the parties were also allowed to file unstamped petitions in the Settlement Office from the 9th July 1925. The Resettlement Notification dated the 8th July 1925 containing the provisions regarding the publication of Ekwal-Jamabandis and the disposal of objections and appeals was published, both in English and Bengali, in the State Gazette (Extraordinary) dated the 9th July 1925 and in the Gazettes dated the 13th and 27th July 1925. In that Notification it was announced that, in view of the ignorance generally of the illegally settled tenants, the liegency Council proposed, as a matter of grace, to waive the claim to the stamp fee of Rs. 5 per hal or portion of a hal prescribed in the State Council Notification dated the 2nd May 1918 for recognition of the rights of those tenants.

Under paragraph 6 of the Notification dated the 11th July 1925 where the contractual rent exceeds double the rent calculated under the sanctioned scale of profits, the immediately superior landlord shall be allowed double the sanctioned profit, provided that the contractual rent has been realised for more than 10 years, the burden of proving which shall be on the landlord. Railing such proof, the landlord shall be allowed a profit only 50 per cent in excess of that admissible under the sanctioned scale of profits. It is difficult to say, without enquiry in the presence of the parties concerned, in which of the contractual rents there is evidence of collection of more than 10 years. Such

an enquiry in the case of each tenancy with a high rent would greatly retard the progress of the Settlement work and also involve unnecessary harassment of parties. Hence to save time and trouble, in the rent-rolls under publication only 50 per cent extra profits were calculated in such cases, and in the general notices of publication of the rent-rolls issued Taluk by Taluk, the landlords were required to file unstamped petitions within the period of publication in the cases in which they claimed double the sanctioned profit under paragraph 6 of the Netification dated the 11th July 1925, so that the parties concerned might be summoned to convenient centres for examination of the evidence of collection by Assistant Settlement Officers in those cases alone. This fact and also the numerous changes owing to deaths, transfers, new settlement, surrenders, etc., since the completion of field work have been responsible for the large number of objections received.

The stamped applications for maps prescribed in the Circular Order No. 5 A, dated the 18th May 1915 and published in the State Gazette, dated the 9th August 1915 have not yet been filed by the holders of some interests including the cultivating raiyats (Krishiprajas.) It has, therefore, been ordered in the Resettlement Notification dated the 18th December 1925 and published in the State Gazette dated the 11th January 1926 that if the stamp fees are not paid within a month from the date of service of the necessary notice in the Taluk comprising the interest in respect of which such fees are due, double the amount payable shall be recoverable under the Public Demands Recovery Act and that the defaulters will be given no Terijes and maps until those stamp fees are realised.

6. Work done.—The calculation of rents and revenue was started immediately after the issue of the orders contained in the Notification dated the 11th July 1925 and was completed during the year under report.

Ekwal-Ja nabandis of 2,09,105 interests comprised in 1,320 Taluks were published during the year.

As shown in statement IV, the total number of objections received during the year under the Notification dated the 8th July 1925 was 58,278 of which 5,887 were disposed of before the close of the year, the claims having been allowed in 3,730 cases and disallowed in 2,157 cases.

The statements I to III show the work done in the different sections at headquarters.

- 7. Expenditure.—The Budget Estimate for the year under report was Rs. 1,24,660 while the actual expenditure amounted to Rs. 82,192-2-6 leaving a surplus of Rs. 42,467-13-6.
- 8. Receipts.—During the year, Rs. 2,849-8-0 were realised in stamps and Rs. 1,418-6-0 as Copying fees, while the miscellaneous receipts amounted to Rs. 221-15-2 Copying was done by the paid staff.
- 9. Remarks.—As the final orders of the Regency Council relating to the resettlement of the land revenue of the State were issued during the year under report I should like to repeat the remarks which I made in last year's report regarding the work of the Settlement Officer, Babu Karali Charan Ganguli, namely, that he rendered valuable assistance to the Council in the framing of their proposals for the resettlement of the land revenue. The Assistant Settlement Officers, Kanungos and ministerial officers generally discharged their duties satisfactorily.

H. L. KHASTGIR, E.Q., RAI BAHADUN, M.A., Judicial Member, Begency Council, Civil Pepartment, Cooch Behar.

To

HER HIGHNESS THE PRESIDENT, REGENCY COUNCIL, COOCH BEHAR.

Dated, Conch Behar, the 31st August, 1926.

Your Highniss,

I have the honour to submit the Annual Report of the Administration of Civil Justice in the State for the year 1925-26 together with the Annual Statements Nos. 1 to 11.

2. Charge.—Srijut Satish Chandra Banerjee, B L, was in charge of the office of the Civil and Sessions Judge of the State throughout the year.

The following table shows the names of the officers who held charge of the different Subordinate Judicial posts during the year under review:—

V. Other receipts including copying fees.—These amounted to Rs. 6,374 against Rs. 5,972 of the previous year showing an increase of Rs. 402.

The total receipts under the above heads amounted to Rs. 2,06,221 against Rs. 2,12,835 of the previous year showing a decrease of Rs. 6,614.

Disbursements.

- Salary.—The salary of Judicial Officers amounted to Rs. 17,149
 against Rs. 17,015 of the previous year showing an increase of
 Rs. 134.
- II. Establishment charges.—The establishment charges amounted to Rs. 20,680 against Rs. 20,124 of the previous year showing an increase of Rs. 556.
- III. Process service.—The expenditure under this head was Rs. 14,103 against Rs. 13,104 of the previous year showing an increase of Rs. 999. This is chiefly due to the grant of Grain Compensation allowance.
- IV. Contingencies.—Contingencies amounted to Rs. 8,948 against Rs 7,098 of the prevision year showing an increase of Rs. 1,850. This is chiefly due to the provision of Rs. 1,500 for construction of Record-room racks.
- V. Amin's establishment.—The cost under this head amounted to Rs. 1,370 against Rs. 1,288 of the previous year showing an increase of Rs. 82.
- VI. Unforeseen.—A sum of Rs. 464 was spent under this head during the year under report.

The total expenditure was Rs. 62,714 against Rs. 59,124 of the previous year. The net receipts of the Civil Department amounted, therefore, to Rs. 1,43,507 against Rs. 1,53,711 of the previous year showing a decrease of Rs. 10,204.

24. Copying Department.—The total amount of copying fees realised during the year was Rs. 5,587 against Rs. 5,449 of the previous year showing an increase of Rs. 138. Out of the total receipts Rs. 2,701 was credited to the State and the balance of Rs. 2,886 was distributed among the copyists.

The following table shows the number of copyists employed in each Court with the average monthly income of each copyist:—

26. Character.—The Subordinate Judicial Officers worked on the whole satisfactorily, but greater vigilance on their part is required in the direction of shortening the duration of cases. Their attention has been drawn to this matter and it is hoped that their work will in future show an improvement in this respect.

The subordinate staff worked satisfactorily.

I have the honor to be, Your Highness' Most obedient servant,

H. L. KHASTGIR,

Judicial Memben, Regency Council, Civil Department, Cooch Behar.

FROM

THE AUDIT OFFICER OF THE STATE, COOCH BEHAR.

To

HER HIGHNESS THE MAHARANI SAHEBA, PRESIDENT, REGENCY COUNCIL, COOCH BEHAR.

Dated, Cooch Behar, the 17th August, 1926.

Your Highness,

I have the honour to submit herewith the Financial Report of the Cooch Behar State for the year 1925-26 and to append the following Statements which will afford all the materials necessary for an appreciation of the financial situation in the year under report as compared with that in the year 1924-25;—

- (1) Compliative Statement of Revenue and expenditure of the State for the years 1924-25 and 1925-26.
- (2) Comparative Statement of Receipts and Disbursements of the State for the years 1924-25 and 1925-26.
- (3) Ledger Balance of the accounts with the Cooch Behar State as they stood on the 31st March 1926.
- 2. The total aggregate revenues anticipated in the Revised for the year under report were Rs. 37,84,658, but the actuals of the year came up to Rs. 38,66,879 thereby showing an increase of Rs. 82,221. Again, the Revised Estimate provided for payments aggregating Rs. 41,80,395 but actual payments brought to account during the year amounted to Rs. 40,61,331 resulting in a saving of Rs. 1,19,014. The anticipated deficit of Rs. 3,95,737 in the Revised Estimate was thus reduced, when the actuals were brought to account, to a sum of Rs. [3,95,737 (82,221+1,19,014)] = Rs. 1,94,502.
- 3. The actual revenue and expenditure for the year under report and the important fluctuations under the various heads as compared with those of the preceding year are discussed below:—

A.—REVENUE.

The revenue of the year 1925-26 amounted to Rs. 38,66,879 against Rs. 3.,07,0.5 of the previous year showing a net drop of Rs. 40,186. The decrease occurred mainly under the following heads:—

I .- GENERAL REVENUE. -

Rs.

() Sundrice.— Due mainly to the exclusion of the abnormal item included in the actuals of 1924-25, of Rs. 16,808 representing the balance of the Resettlement Fund credited to this head.

-15,343

III. - MIRCILLANBOUS. -

(a) Public Works.—Due mainly to smaller receipts in the Artisans School on account of sale of manufactured articles
